**Working Hours**

- The working hours are consistent with the local municipality's noise bylaws.

**Traffic Control**

- Queen Street North will be reduced to one lane in each direction for the duration of the project.
- Lane closures for all other work will be done in non-peak hours.
- Ontario Provincial Police will be present during lane closures at all intersections to direct traffic safely.
- Emergency access will be maintained at all times.
- Barriers and signs will be placed for safety and direction, as required under the Occupational Health and Safety Act.

**Driveway Access**

- We will make sure businesses have access at all times.
- Please call the Project Manager if you have special needs related to access or business hours.

**Project Updates**

- The Region of Peel will keep you informed of any substantial changes in the project scope or schedule.
- We are committed to ensuring minimum disruption to your homes and businesses.
- Please call the project manager or inspector if you have any special needs.

Thank you,

Olek Garbos  
Project Manager
