

April 6, 2017  
Project 15-1345 E/N, 15-2300 B

**PROJECT UPDATE**  
**WATERMAIN AND SANITARY SEWER REPLACEMENT**  
**BLOOR STREET**  
**CITY OF MISSISSAUGA**

**What are we doing?**

- Reinstating road, driveways, sod, and curb following the replacement of the watermain and sanitary sewer including services along Bloor Street.

**Why?**

- To upgrade the water system and sanitary sewer capacity and reliability as part of the Region of Peel's State of Good Repair program.

**When?**

- We expect to start work on or about April 12, 2017.
- The project should be completed before July 1, 2017. All work is under warranty for two years from the completion date.
- We will start restoring the road when all water system and sanitary sewer replacements and transfers are complete, and as weather permits.

**Who can you call?**

Region of Peel		
Name	Responsibility	Telephone Number
Frank Pugliese	Project Manager	905-791-7800 ext. 5943
Steve Mahaney	Inspector	905-791-7800 ext. 3246
Lakeside Contracting Company Ltd.		
Name	Responsibility	Telephone Number
Shawn Aguiar	Project Coordinator	905-279-1198

**Traffic and Parking Control**

- We may need to reduce traffic to a single lane during construction.
- If we have to re-route traffic, we will place signs giving directions.

**Driveway Access**

- We may need to block your driveway for a short time. We will contact you before we do this to arrange for the best time and for alternate access, if needed.
- Please call the Project Manager if you have special needs related to access or business hours.

### Replacing and Taking Care of Your Sod

- The contractor will take care of any sod we replace for 30 days.
- You can help the sod to stay healthy by watering it for one hour in the early morning, two or three times a week. This is especially important in hot or dry weather.
- We will replace your sod as soon as we can, but there may be a short delay.

### Repairing Your Driveway

- If we have cut your driveway, we will repair the asphalt in the disturbed area from edge to edge across the driveway. Unfortunately, the Region **cannot** completely replace your driveway.
- We will repair your driveway as soon as we can but, there may be a short delay.
- **If you would like to have the rest of your driveway paved at this time, please contact either the contractor or the paving subcontractor named on the front of this letter. These are the only two contacts for you. Please do not accept direct solicitation from any contractor telling you that they have been retained by the Region. Please remember this is your option. If you choose to do nothing, we will repair all areas damaged by our construction; however, we are unable to completely replace your driveway.**

### Project Updates

- The Region of Peel will always let you know if there are any major changes to our plans.
- We will try to disturb you as little as possible.
- Please call the Project Manager or Inspector if you have any problems or special needs.

Thank you!

Frank Pugliese  
Project Manager
