Project 16-1301 A

**PROJECT UPDATE
WATER SERVICE REPLACEMENTS AND IMPROVEMENT
ON APPLE GATE COURT
CITY OF MISSISSAUGA**

Repairing Your Driveway:

- If we have cut your driveway, we will repair the asphalt in the disturbed area from edge to edge across the driveway. Unfortunately, the Region **cannot** completely replace your driveway.
- We will repair your driveway as soon as we can, but there may be a short delay.
- **If you would like to have the rest of your driveway paved at this time, please either contact either the contractor or the paving subcontractor named below. Apologizes, the incorrect number was provided on the previous notice for Timbel Construction. These are the only two contacts for you. Please do not accept direct solicitation from any contractor telling you that they have been retained by the Region. Please remember this is your option. If you choose to do nothing, we will repair all areas damaged by our construction; however, we are unable to completely replace your driveway.**
