What are we doing?

- We will be replacing sections of curb on Treviso court.

What does this mean to you?

- Your driveway will be blocked off from the morning of Thursday June 6th until the morning of Saturday June 8th.
- We ask that you park any vehicles on the street instead of your driveway for the days outlined above.
- A street parking exemption has been obtained for Treviso Court from June 6th until the morning of June 8th, and vehicles will not be ticketed for parking on Treviso Court and Treviso Terrace during this duration.
