

COVID-19

Day camp decision process toolkit

Last updated June 23, 2021

Day camp decision process toolkit

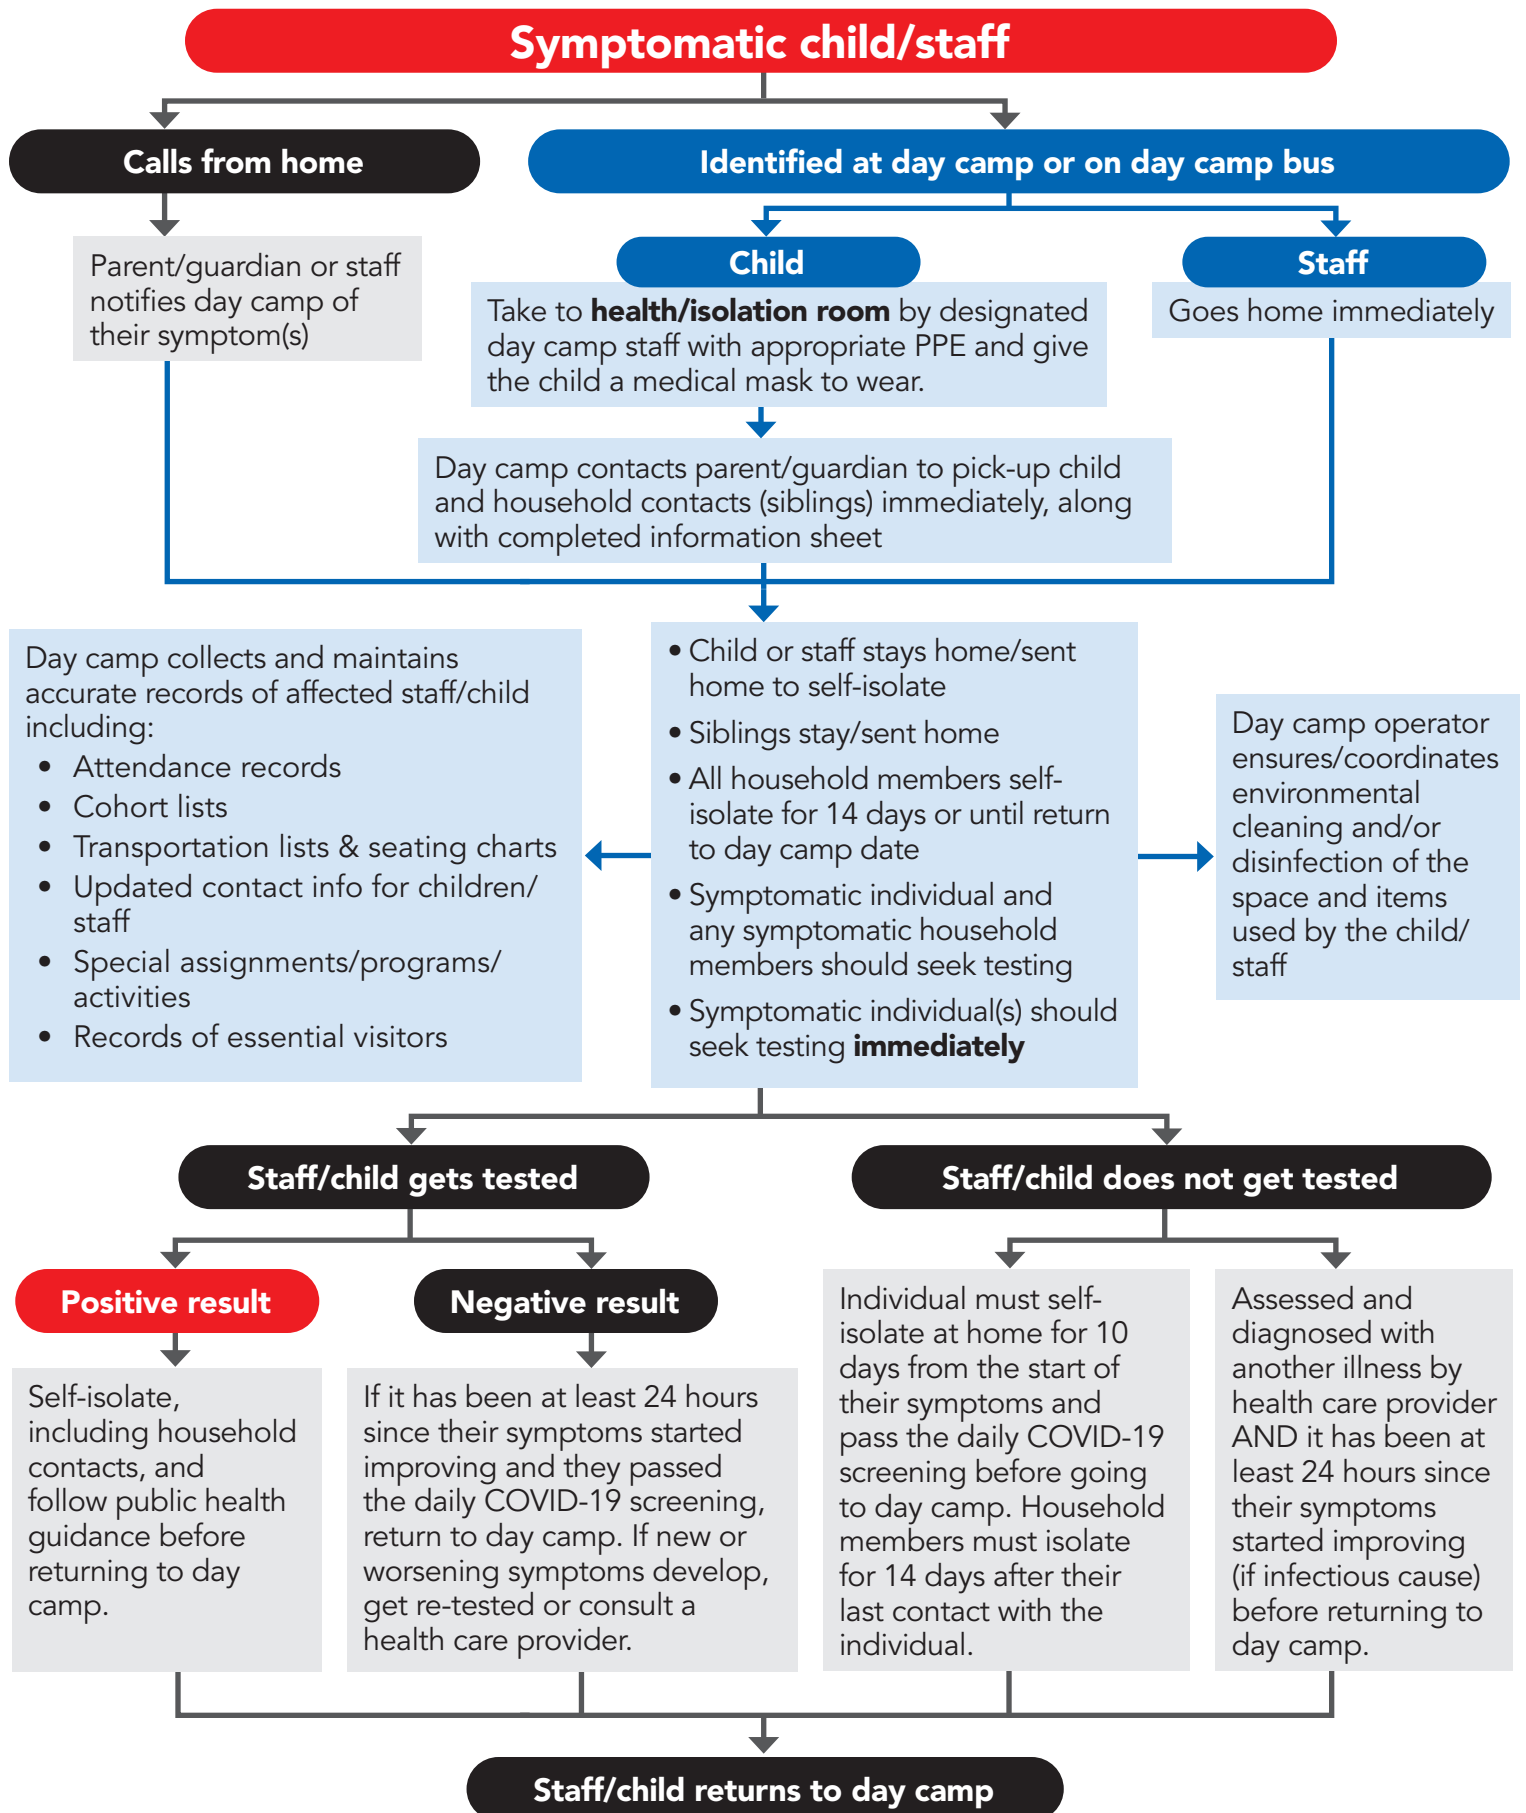

Important information

Day camp operators can use these decision-making resources when assessing the following common scenarios.

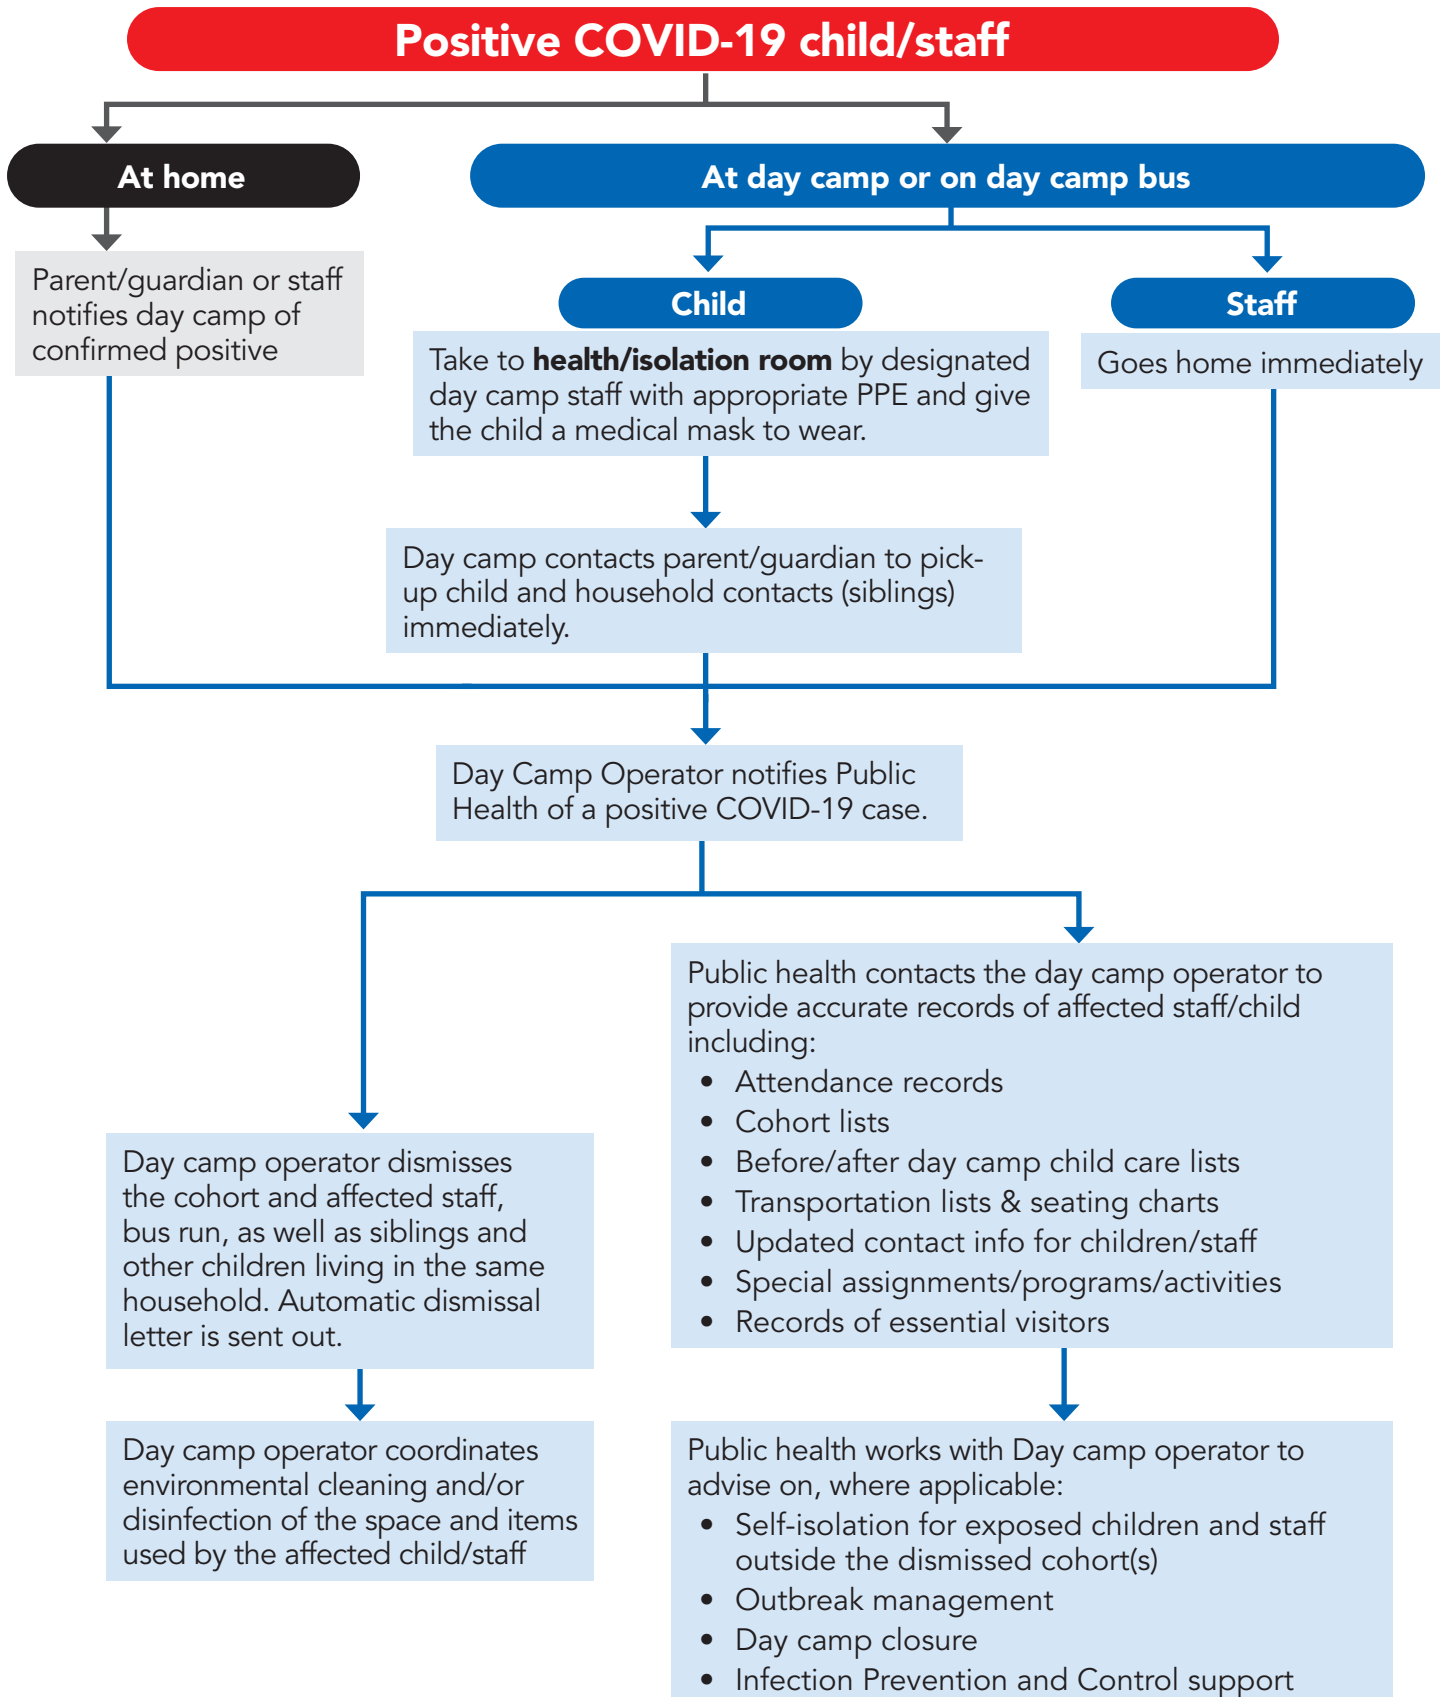

- 1 Symptomatic child/staff
- 2 Positive COVID-19 child/staff
- 3 Close contact to a COVID-19 positive case

This resource is also available in French, and can be accessed through our [website](#).
