

COVID-19

School decision process toolkit

Last updated October 6, 2020

School decision process toolkit

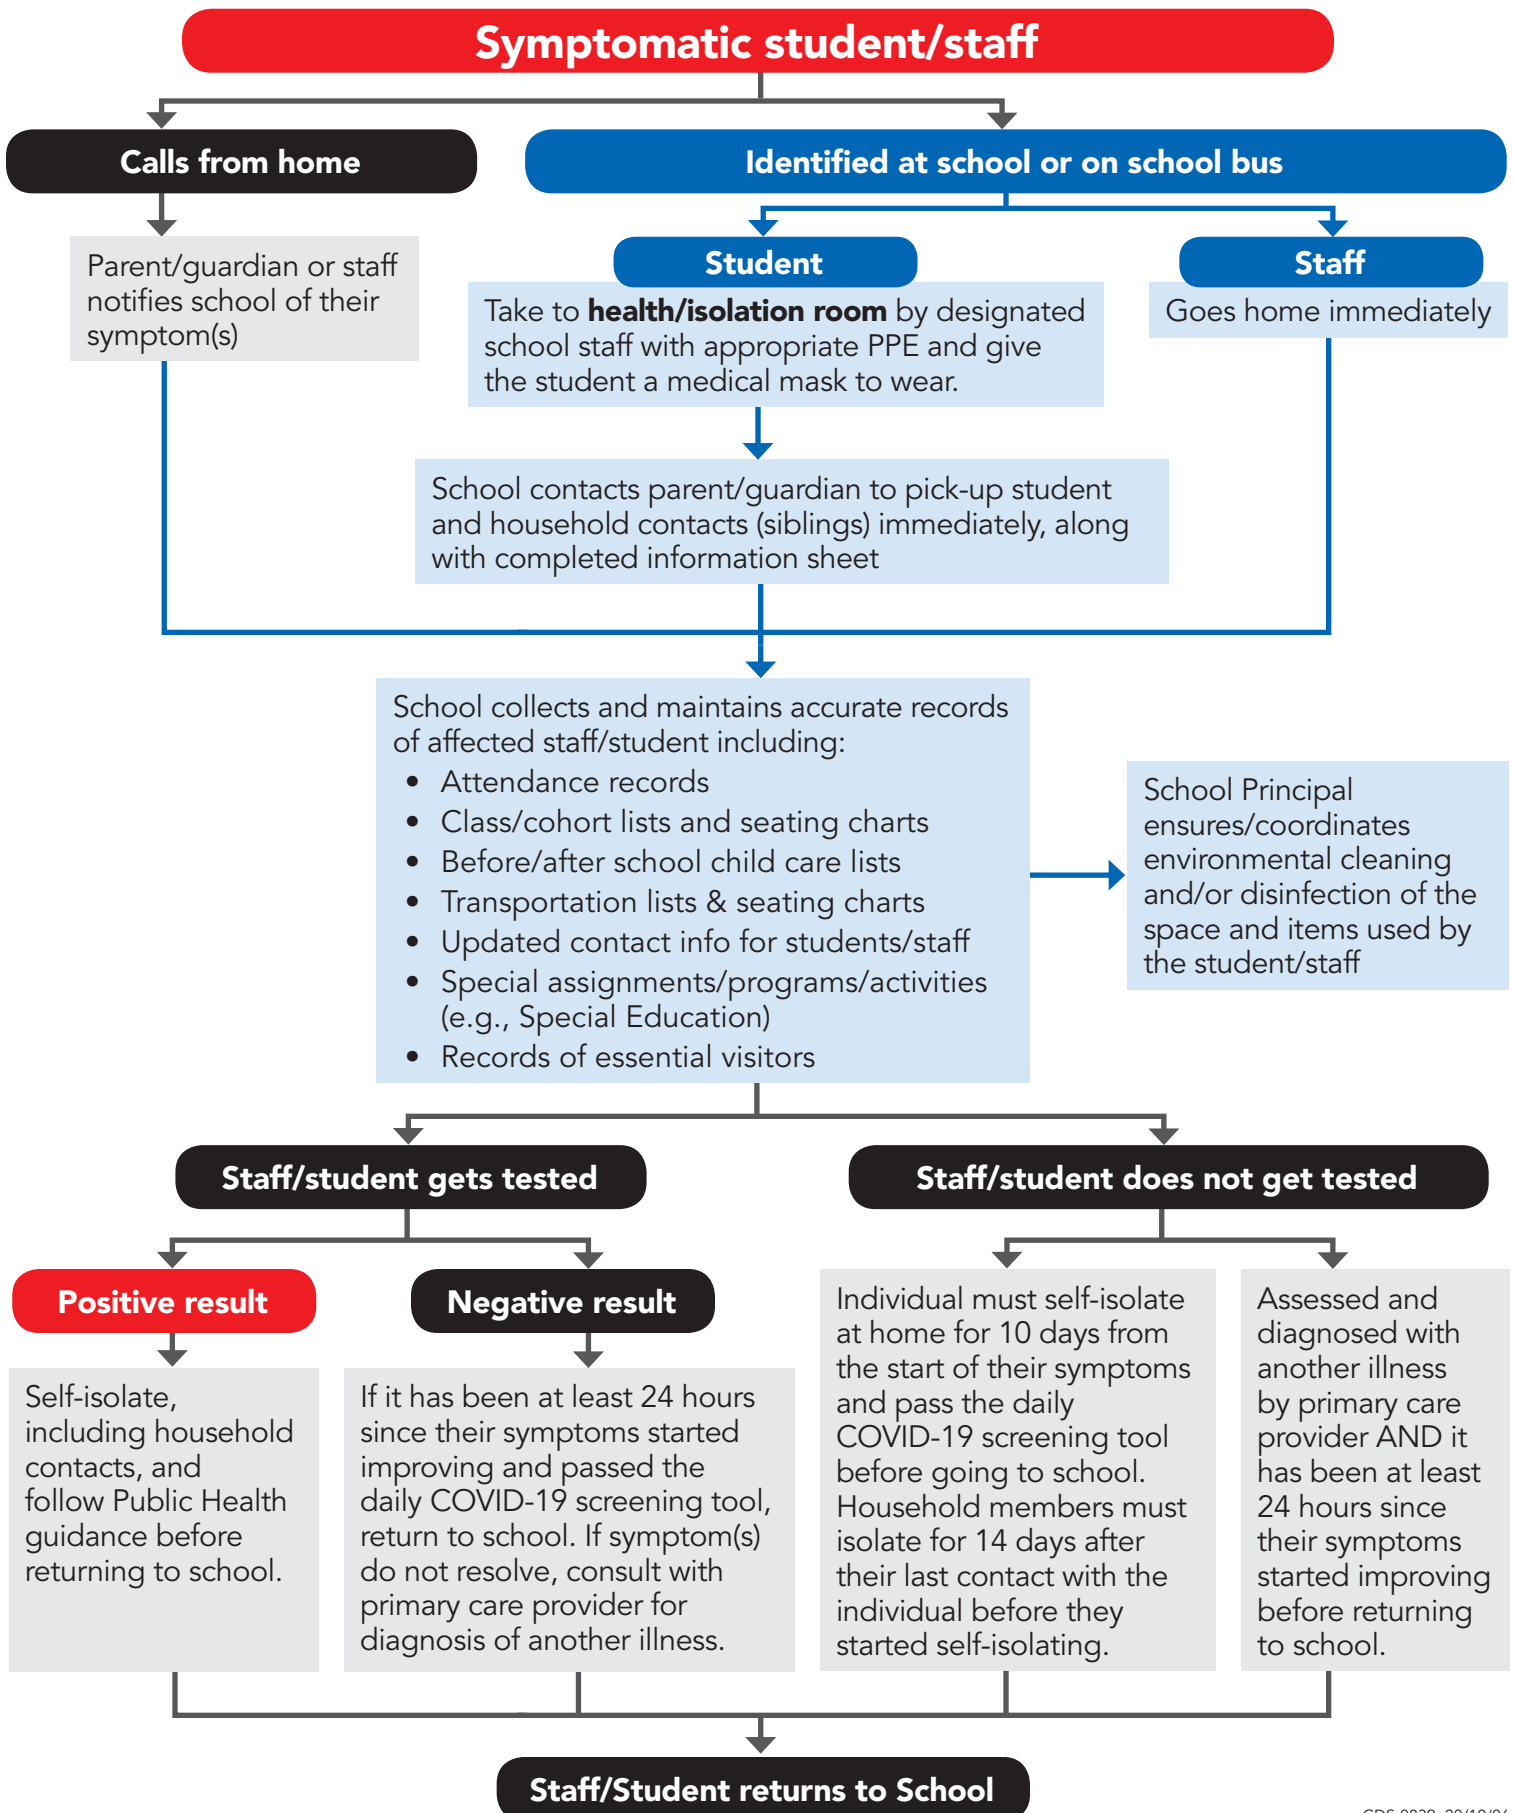

Important information

School administration can use these decision-making resources when assessing the following common scenarios.

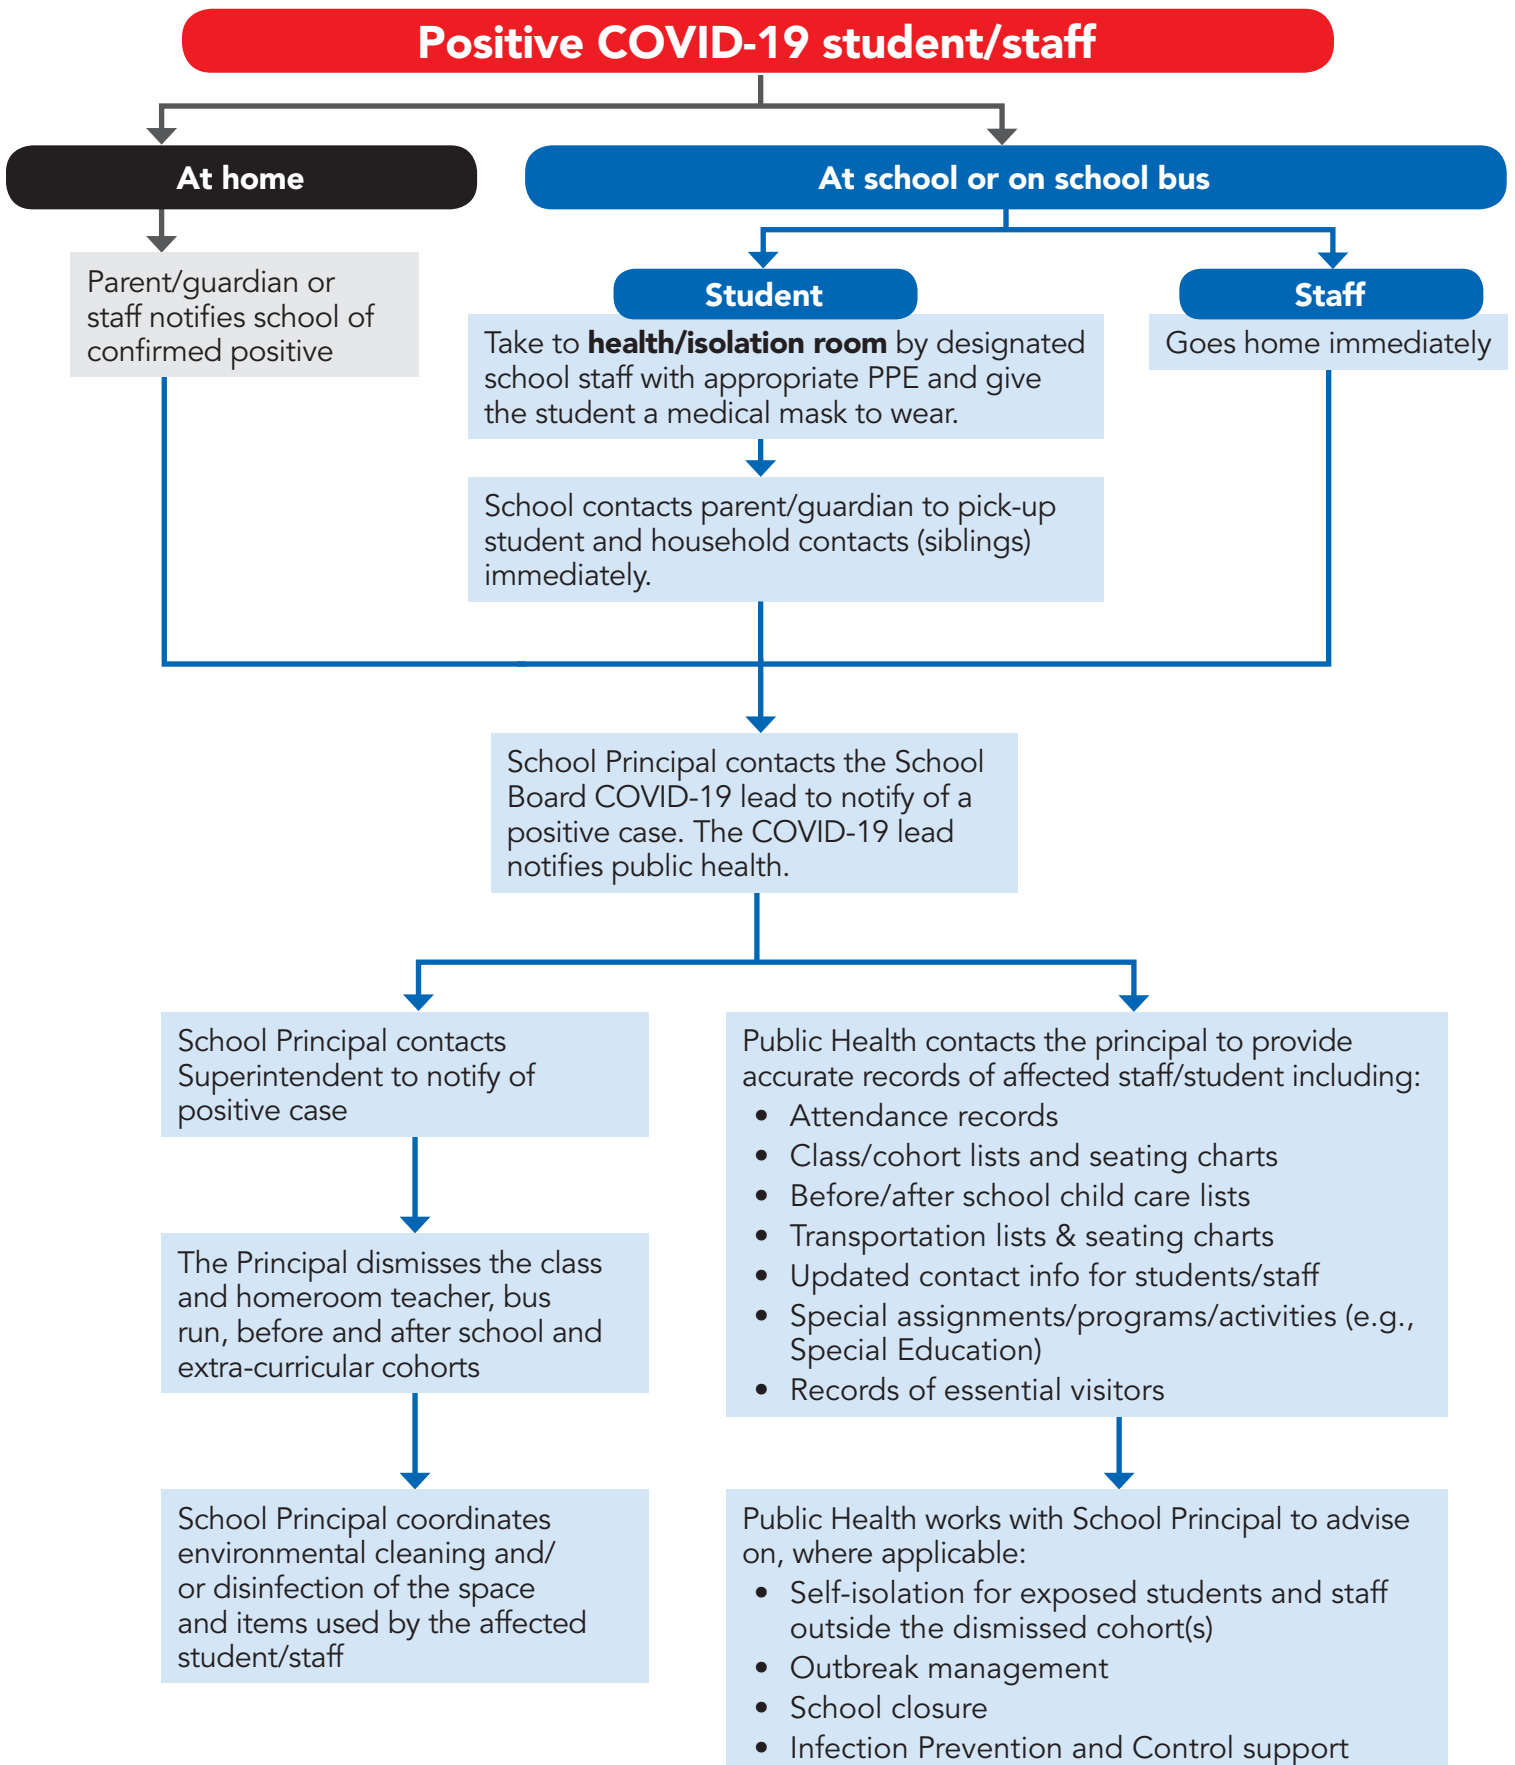

- 1 Symptomatic student/staff
- 2 Positive COVID-19 student/staff
- 3 Close contact to a COVID-19 positive case

To access these resources in other languages, visit our [Translated Resources](#) page.
