# Government Relations Update - Overview

- Federal Landscape
- Party platform alignment
- Provincial Landscape
- Looking Forward

# Federal Political Landscape

- Throughout this Federal Election, polls have the Liberal and Conservative parties polling at a virtual tie
- Battle ground 905
- Ballot-box issues were expected to include environmental policy and cost of living
- During the of the campaign, considerable attention has been paid to pocket-book issues, including cuts to Canadians' cellphone bills, middle class tax cuts and child care policy

# Federal Political Landscape

- Conservatives and Liberals haven't been able to build any significant momentum
- NDP and Bloc have made greatest gains
- Polling suggests a minority may be more likely than a majority government

(Source: CBC Poll Tracker (aggregate polling). Update Oct.15)

# Ridings To Watch - Brampton East

Federal NDP Leader Jagmeet Singh once represented this provincial riding. It was won by a Liberal candidate in the 2015 election, but will not have a Liberal incumbent running this time.

# Ridings To Watch – Mississauga Lakeshore

This riding was decided by a margin of six points in 2015. Next week's election also marks a re-match of the 2015 vote between the Liberal and Conservative candidates.

# Ridings To Watch – Mississauga Erin Mills

Conservative candidates won here in the 2008 and 2011 Federal elections. However, the Liberal Party candidate won here in 2015.

# Region of Peel Federal Election Strategy

- Strategy was shared with Peel MP candidates and Region's external stakeholders
- Highlighted Regional federal priorities based on six key themes

REPORT TITLE: **UPDATE ON 2019 REGION OF PEEL ADVOCACY PRIORITIES**

FROM: Catherine Matheson, Commissioner of Corporate Services

---

## OBJECTIVE

To provide a summary of the work and progress of the Government Relations Committee (GRC) related to Region of Peel advocacy priorities. In addition, this report also highlights next steps and potential opportunities related to high priority Region of Peel advocacy positions.

### REPORT HIGHLIGHTS

- This report highlights advocacy efforts undertaken by the Government Relations Committee (GRC) since the last meeting held on May 16, 2019.
- Significant efforts include leveraging opportunities available at conferences held by the Association of Municipalities of Ontario (AMO) and the Federation of Canadian Municipalities (FCM).
- This report also provides a progress report on high priority Region of Peel advocacy positions as well as next steps and potential opportunities related to these positions.
- As the GRC moves forward to leverage upcoming opportunities, the GRC will continue to be nimble and flexible in its approach to advocacy.

## DISCUSSION

### 1. Background

Over the course of 2019, the Government Relations Committee (GRC) has worked to fulfill its mandate which includes developing, coordinating, implementing and monitoring government relations strategies to help advance Regional Council endorsed advocacy priorities at the provincial and federal levels of government.

By engaging with elected and departmental officials from the provincial and federal levels of governments and other stakeholders as appropriate, the GRC has implemented a variety of advocacy initiatives that has led to demonstrated progress on key Region of Peel strategic priorities.

When pursuing these initiatives and opportunities, through direction by the GRC, the Region has maintained its commitment to being nimble in its approach to advocacy. In addition, by strengthening relations with key partners and stakeholders, the Region has been able to leverage these relationships to further advance messaging on key priorities.

## 5.1-2

### UPDATE ON 2019 REGION OF PEEL ADVOCACY PRIORITIES

This report provides an update on the advocacy initiatives that was brought forward to the GRC on May 16, 2019 and approved by Regional Council on June 13, 2019. It also describes the various advocacy opportunities that the Region has leveraged over the past several months. In addition, this report also includes notable progress on key Regional priorities and potential next steps where appropriate.

#### 2. Municipal Sector Association Advocacy Opportunities

The Region's participation in associations such as the Federation of Canadian Municipalities (FCM) and the Association of Municipalities of Ontario (AMO) provides an opportunity to advance its advocacy priorities and solicit support from a broader base of stakeholders. The Region's involvement also allows Region of Peel representation on the key committees and provides opportunities to delegate to key federal and provincial officials, including cabinet Ministers, at conferences and stand-alone advocacy days.

##### a) 2019 FCM Annual Conference (May 30 - June 2, 2019 – Quebec City)

This year's FCM conference provided an opportunity for municipal officials to engage with all major federal parties ahead of the 2019 Federal Election. At this year's conference, the Region was well represented at several significant advocacy tables including the Big Cities Mayors' Caucus meeting. During this meeting, Mayors from large cities across Canada, including the cities of Mississauga and Brampton, called on the next federal government to modernize the federal-municipal relationship as this is essential to addressing shared priorities such as congestion and affordable housing.

In addition, the Region was also represented at FCM's Ontario Regional Caucus meetings, during which members were able to engage with several federal Ministers and senior staff to discuss a variety of priorities including:

- Long-term, sustainable capital and operational funding for affordable housing
- Working with the Province to expedite the distribution for Phase 2 infrastructure funding
- Increase funding for transit infrastructure to reduce greenhouse gas emissions

The 2020 FCM Annual Conference is in Toronto on June 4 - 7, 2020.

##### b) 2019 Association of Municipalities Ontario (AMO) Conference

The Region once again leveraged opportunities available at the 2019 AMO Conference which took place on August 18 - 21, 2019 in Ottawa. This included meetings with Ministers as well the leaders of the opposition parties. In addition, the Region also used the Conference to build and strengthen relationships with Peel MPPs.

### 5.1-3

## UPDATE ON 2019 REGION OF PEEL ADVOCACY PRIORITIES

### Minister Delegation Meetings

At this year's Conference, the Region was able to secure 11 delegation meetings which included meeting with seven Ministers, one Parliamentary Assistant and the three opposition leaders. Important to note is that while the Region's request to meet with the Minister of Health to discuss the key priorities related to public health and paramedic services was not accepted, the Region's delegation was able to speak to these advocacy positions during meetings with other Ministers (e.g. Minister of Finance) and with the opposition party leaders.

While the Region used each of the meetings to communicate specific advocacy positions there were several common themes the Region conveyed at all meetings. These themes included:

- Raising awareness of risks to municipal fiscal sustainability and the willingness of the Region to work with the Province to address the challenges associated with these risks
- The Region is a recognized leader in service and program delivery with a Triple A credit rating by both Standard and Poor's Global Rating and Moody's Investors Service
- Prior to moving forward with funding cuts and downloading of services, there is a need for consultation with municipalities.

The Region's delegation also raised several Region of Peel Council endorsed advocacy priorities with the Ministers and their staff as seen in the table below. These priorities were further validated and confirmed by Regional Councillors at the AMO Conference Preparation Workshop held on July 18, 2019.

### 2019 Region of Peel Advocacy Priority Themes

MINISTER	ADVOCACY POSITION/PRIORITY
Children, Community and Social Services Hon. Todd Smith	Sustainable Funding to Support Peel's Strategy to Address Human Sex Trafficking  Improving Ontario Works Service Delivery Model
Finance Hon. Rod Phillips	Municipal Fiscal Sustainability  Provincial Budget Cut Implications
Infrastructure Hon. Laurie Scott	Long-term Sustainable Municipal Infrastructure Planning and Funding

**5.1-4**  
**UPDATE ON 2019 REGION OF PEEL ADVOCACY PRIORITIES**

MINISTER	ADVOCACY POSITION/PRIORITY
Environment, Conservation and Parks Hon. Jeff Yurek	Blue Box Transition Climate Change
Transportation Hon. Caroline Mulroney	Sustainable and Integrated Transportation System
Education Parliamentary Assistant Sam Oosterhoff	Maintaining a strong Early Years and Child Care System
Mental Health and Addictions Hon. Michael Tibollo	Mental Health and Addictions
Seniors and Accessibility Hon. Raymond Cho	Supports for Seniors

Other Advocacy Opportunities

The Region was also able to maximize advocacy efforts by engaging with the leaders of the opposition parties as well as Peel MPPs.

The Region met with the leaders of the major opposition parties including:

- Andrea Horwath, Ontario NDP (Official Opposition)
- Mike Schreiner, Green Party of Ontario
- John Fraser, Liberal Party of Ontario

During these discussions, the Region's delegation focused on the need for the Provincial government to work with municipalities to address key priorities such as:

- Long-term municipal fiscal sustainability
- Addressing Affordable Housing
- Supporting municipal initiative aimed at addressing climate change

As part of the Region's on-going efforts to build and strengthen relationships with local elected officials, the Region's advocacy priorities were shared in advance of the conference to all Peel MPPs to raise awareness of the Region's issues discussed with the Ministers. These priorities were further discussed at an event hosted by the Region in which the following eight Peel MPPs attended:

## UPDATE ON 2019 REGION OF PEEL ADVOCACY PRIORITIES

- Hon. Sylvia Jones, Solicitor General, MPP Dufferin-County
- Hon. Prabmeet Sarkaria, Associate Minister of Small Business and Red Tape Reduction, MPP Brampton South
- Amarjot Sandhu, MPP Brampton West
- Sara Singh, MPP Brampton Centre, Official Opposition Deputy Leader
- Nina Tangri, MPP Mississauga-Streetsville, Parliamentary Assistant to the Minister of Economic Development
- Deepak Anand, MPP Mississauga-Malton
- Kaleed Rasheed, MPP Mississauga East—Cooksville
- Sheref Sabawy, MPP Mississauga—Erin Mills

The 2020 AMO Conference will be held August 16 - 19, 2020 in Ottawa.

### 3. Recent Progress on Region of Peel Priorities

Since the last GRC meeting held on May 16, 2019, progress has been made on Region of Peel advocacy priorities. These include:

#### **Municipal Fiscal Sustainability**

- Raising awareness on the findings and key messages from the Region's and former Mowat Centre's report "Rethinking Municipal Finance for the New Economy"
- At the 2019 AMO Conference, the Region's Chief Financial Officer was able to showcase the Region's work in this area as part of panel discussion during one of the Conference's Plenary Sessions.
- FCM released a report in early September 2019 titled; *The case for growing the Gas Tax Fund: A report on the state of municipal finance in Canada*. FCM's report both notes the Region's work in this area and also includes key messages found in the Region's report.

#### **Waste Management: Blue Box Transition**

- The Region is pleased that the Minister issued a letter (August 16, 2019) directing Stewardship Ontario to wind-up the Blue Box existing program and with the timelines outlined in the letter and the Region will continue to advocate and work with the Province to transition to fully producer responsibility by 2026.

#### **Sustainable Transportation**

- The Province remains committed to the moving forward with the GTA West Corridor Environmental Assessment Process and
- On September 19, 2019, the GTA West Project team released the Technically Preferred Route at a Public Information Centre (PIC) for public review and comment.
- At the recent AMO Conference, the Minister of Transportation expressed interest in supporting initiatives that aim to help improve goods movement through the Region's collaboration with Smart Freight Centre. The Region is currently arranging to meet with the Minister and her staff.
- The work being done through the Smart Freight Centre recently received positive media coverage.

**UPDATE ON 2019 REGION OF PEEL ADVOCACY PRIORITIES**

Appendix I of this report highlights recent progress on key Region of Peel priorities since the last GRC meeting held on May 16, 2019. This table also includes next steps and potential opportunities.

**4. Region of Peel Federal Election Priorities and Post-Election Activities**

The 2019 Federal Election will be held on October 21, 2019. As part of the Region's Federal Election Strategy, the Region's priorities brought forward at the May 16, 2019 GRC meeting were shared with Peel MP Candidates as well as other key stakeholders.

As part of the Region's post-election activities, outreach to the newly elected Peel MPs will occur through congratulatory correspondence from the Regional Chair. In addition, Region of Peel priorities will be highlighted through initiatives such as the MP/MPP Advocacy Update newsletter as well as inviting the Peel MPs to a briefing session.

**CONCLUSION**

This report provides an update on the GRC's efforts to advance the Region's interests at the federal and provincial levels of government and to provide an overview of recent and upcoming activities. Additional issues impacting the Region and advocacy initiatives are expected to arise from time to time and may be addressed at the Committee's discretion.

<p><b>10. Maintaining a strong Early Years and Child Care System</b> Support the Region of Peel's efforts to have an Early Years and Child Care system that is affordable, inclusive, high quality, accountable and accessible. To do this, we recommend that the Government:</p> <ul style="list-style-type: none"> <li>• Phase-in proposed changes to provincial funding for early years and child care in order to avoid reductions in the availability of quality child care, EarlyON and Special Needs services in Peel.</li> <li>• Proactively consult with Service System Managers on funding and policy changes that impact EarlyYears and Child Care program delivery and service levels.</li> </ul>	<ul style="list-style-type: none"> <li>• Earlier this year, the Province announced cuts that would result in a \$17.8 million shortfall in program funding that had the potential to seriously impact the Region's ability to achieve key priorities related to the Early Years and Child Care system.</li> <li>• On July 11, 2019 Regional Council approved the cessation of the Fee Stabilization program (Resolution: 2019-680). The program's \$4.9 million in costs were 100 % funded by the Province. The remaining funding cut of \$12.9 million includes a \$5.6 million reduction in provincial funding for the Child Care Expansion Plan. The service impacts of the funding cuts were outlined in the report.</li> <li>• On September 26, 2019 Council approved \$5.6M to offset the 20 % reduction in Child Care Expansion Funding and approved ending the Region's current Child Care Fee Reduction Initiative (\$12/6 per day) to ensure that affordability funds are being used most efficiently. (Resolution 2019-847).</li> <li>• Concerns surrounding the implications of the provincial funding cuts were raised at the 2019 AMO Conference.</li> <li>• Due in part to municipal advocacy efforts, the Province recently deferred some of the expected reductions in funding that were originally planned for 2020: <ul style="list-style-type: none"> <li>○ Effective January 1, 2021, the Province will implement a 50/50 cost share with the Region for administrative expenses.</li> </ul> </li> </ul>	<ul style="list-style-type: none"> <li>• Continue advocating for increased collaboration with the Ministry to share data and provide feedback and insights on funding and policy changes that are being considered.</li> <li>• The Province is making changes to the funding formula which could impact our funding.</li> <li>• Seek opportunities for ongoing engagement on Peel's early years and child care programs. MPs and MPPs have recently been invited to attend openings/events at EarlyON centres and this has been effective at building understanding of what we do at both levels of government.</li> <li>• Whenever possible, reinforce the importance of the Province providing 2020 allocation as soon as possible so we can continue to plan and adapt.</li> </ul>
