Whereas Caledon Council passed Resolution 2012-499 on September 11, 2012 requesting the Region of Peel to do a full Environmental Assessment Study of Airport Road from Mayfield Road to Highway 9 which considers a possible by-pass for Caledon East; and

Whereas the Region of Peel will conduct a feasibility study in order to address the Town of Caledon's request as part of a future Environmental Assessment for Airport Road from King Street northerly; and

Whereas the province will be updating its population and employment forecasts to 2041, the Town of Caledon requests that the Region of Peel undertake a feasibility assessment of future needs on Airport Road through and north of Caledon East, and that reflect the results of that assessment in future Long Range Transportation Plans;

Now therefore be it resolved that the Town of Caledon hereby requests the Region of Peel to complete a feasibility study in order to consider completing an Environmental Assessment for Airport Road from Mayfield Road to Highway 9 which considers a possible by-pass for Caledon East.
