

February 8, 2017  
Project 16-1340 BC

**PROJECT UPDATE**  
**WATERMAIN REPLACEMENT AND IMPROVEMENT**  
**ELGIN DRIVE FROM MCMURCHY AVENUE SOUTH TO MILL STREET SOUTH**  
**AND MILL STREET SOUTH FROM AMBLESIDE DRIVE TO CHAROLAIS BOULEVARD**  
**CITY OF BRAMPTON**

**Update**

- The new watermain on Elgin Drive and Mill Street South have now been installed. The next phase is to commission the watermain and put them into service. Properties on these streets will now have their individual water lines transferred from the old watermain to the new watermain.
- A new water service line will be brought up to the property line where a new water service box will also be installed. Where possible your water line will be brought up to the property line using trenchless methods. However, the area around the water service box will be excavated.

**Why?**

- To upgrade the water system capacity and reliability as part of the Region of Peel's State of Good Repair program.

**When?**

- We expect to start work on or about February 21, 2017, starting on Mill Street South, followed with Elgin Drive.
- The project should be completed before June 2017. All work is under warranty for two years from the completion date.
- We will start restoring the road when all water system replacements and transfers are complete, and as weather permits.

### Who can you call?

Region of Peel		
Contact Person	Responsibilities	Telephone Number
Greg Beams	Project Manager	905-791-7800, ext. 7839
Mirgjen Arkaxhiu	Inspector	905-791-7800, ext. 3246
Sam Rabito Construction Ltd.		
Sam Rabito Construction Ltd. will do the work, under contract to the Region of Peel		
Contact Person	Responsibilities	Telephone Number
Corey Luciano	Project Coordinator	1-905-642-5356

### Working Hours

- Our contractor's normal working hours are from 7 a.m. to 7 p.m. These hours are consistent with the local municipality's bylaws. We understand this may cause some inconvenience, but a shorter working day would mean the project would take longer to complete.

### Interrupting Your Water Supply

- It is our goal to let you know 48 hours (2 days) in advance if we need to shut off your water. Occasionally, we may have to reduce this notice to 24 hours.
- If we have to shut off your water because of an emergency, we will do everything we can to fix the problem as quickly as possible.

### Project Updates

- The Region of Peel will always let you know if there are any major changes to the plans.
- We will try to disturb you as little as possible.
- Please call the project manager or inspector if you have any concerns or special needs.

### How Did We Do?

- After we've finished, we will give you a postage-paid card for you to rate our work.
- Please complete the card and mail it back to us.

Thank you!

Greg Beams  
Project Manager
