

April 11, 2018

**TEMPORARY ROAD CLOSURE
HARPER ROAD: CORNWALL ROAD to BARTLEY BULL PARKWAY
Monday, April 30 – Friday, May 18**

The Region of Peel needs to temporarily close Harper Road for the construction of a new sanitary sewer main as part of our wastewater collection system improvements.

Wastewater comes from flushing toilets, having a shower or washing dishes. Sanitary sewer pipes take wastewater from your home to a treatment plant.

Schedule

Monday, April 30 at 9 a.m. to Friday, May 18 at 7 p.m.

Traffic impacts

- Two lanes on Harper Road will be closed for traffic, only local traffic will be permitted
- Detour plans for Brampton Transit will be posted at all bus stops on Harper Road; Please visit route detours at bramptontransit.com for details
- All driveways will be accessible during construction

Contact

Should you have any concerns or comments please contact the project inspector Yousif Lawand at 416-723-8696.

Project Updates

We are committed to keeping you informed and ensuring that the work is carried out with as minimum as possible disruption to your homes and businesses. If there are any significant changes in the project we provide you with another update.
