**TEMPORARY ROAD CLOSURE  
HARPER ROAD: CORNWALL ROAD to BARTLEY BULL PARKWAY  
Monday, June 25 and Tuesday, June 26**

The Region of Peel needs to temporarily close Harper Road for the road asphalt restoration as part of restoration work of our wastewater collection system improvements.

Wastewater comes from flushing toilets, having a shower or washing dishes. Sanitary sewer pipes take wastewater from your home to a treatment plant.

### **Schedule**

Monday, June 25 and Tuesday, June 26 from 7 a.m. to 7 p.m.

### **Traffic impacts**

- Two lanes on Harper Road will be closed for traffic, only local traffic will be permitted
- Detour plans for Brampton Transit will be posted at all bus stops on Harper Road; Please visit route detours at [bramptontransit.com](http://bramptontransit.com) for details
- Access to your driveway will be interrupted during the construction period from for a few hours; Residents are kindly asked to park their vehicles on adjacent streets for this period of time

### **Contact**

Should you have any concerns or comments please contact the project inspector Yousif Lawand at 416-723-8696.

### **Project Updates**

We are committed to keeping you informed and ensuring that the work is carried out with as minimum as possible disruption to your homes and businesses. If there are any significant changes in the project we provide you with another update.
