Project 17-1340E

## WATERMAIN REPLACEMENT AND IMPROVEMENT IN THE H-BLOCK CITY OF BRAMPTON

### What are we doing?

- Reinstating driveways, sod, and curb following the replacement of the watermain and services along Huntingwood Crescent and Hunter's Cove.
- To complete restoration following upgrade of the water distribution system.

### When?

- We expect to start this work the week of October 1, 2018.
- The project should be completed before December 2018.

### Who can you call?

Region of Peel		
Contact Person	Responsibilities	Telephone Number
Rene Gomez	Project Manager	905-791-7800, ext. 3809
Juan Jimenez	Inspector	905-791-7800, ext. 3246
Pentad Construction Inc.		
Pentad Construction Inc. will do the work, under contract to the Region of Peel		
Contact Person	Responsibilities	Telephone Number
Vince Giorgio	Project Manager	1-905-951-1552
Nick Marino	Site Superintendent	1-905-951-1552

### Traffic and Parking Control

- We may need to reduce traffic to a single lane during construction.
- If we have to reroute traffic, we will place signs giving directions.
- Please make sure that the road is cleared of vehicles (and any type of materials) by 7 a.m.
- **Please do not park on the road during the above dates.**

### Driveway Access

- Due to construction activities, we may need to block your driveway for a short time. We will contact you before we do this to arrange for the best time and for alternate access, if needed.
- Please call the Project Manager if you have special needs related to access or business hours.

### Replacing and Taking Care of Your Sod

- The contractor will take care of any sod we replace for 30 days.
- You can help the sod to stay healthy by watering it for one hour in the early morning, two or three times a week. This is especially important in hot or dry weather.
- We will replace your sod as soon as we can, but there may be a short delay.

- It is very common for the work area to settle a bit following construction. If you notice any settlement, please let the project manager or inspector know and we will ensure the contractor fixes it.

### **Repairing Your Driveway**

- **The City of Brampton has scheduled Handel Court for Roadway Rehabilitation in 2020, pending Council approval.** During Roadway Rehabilitation works, a portion of most driveways will be disturbed again along the curb.
- If we damaged a portion of your **asphalt driveway**, a temporary asphalt patch will be installed by our watermain contractor. Following the City of Brampton's work your driveway will be replaced in the disturbed area from edge to edge across the driveway.
- We will repair your driveway as soon as we can, but there may be a short delay.

### **Repairing the Road, Driveway Aprons, Curbs, and Sidewalks**

- All sections of curbs impacted by the watermain construction shall be permanently restored this year.
- All sidewalk bays impacted by the watermain construction shall be permanently restored this year.
- The impacted roadway in your neighborhood will be restored with new asphalt over the watermain trench width only.
- As part of the overall improvement in your neighborhood, the City of Brampton shall resurface your street as part of their road resurfacing program, scheduled in 2020 pending Council approval.

### **Project Updates**

- The Region of Peel will always let you know if there are any major changes to the plans.
- We will try to disturb you as little as possible.
- Please call the project manager or inspector if you have any problems or special needs.

Thank you!

Rene Gomez  
Project Manager
