Project 17-1340 E

## PROJECT UPDATE WATERMAIN REPLACEMENT AND IMPROVEMENT IN THE H-BLOCK CITY OF BRAMPTON

### Update

- The new watermain on Hayden Court and Hector Court have now been installed. The next phase is to commission the watermains and put them into service. Properties on these streets will now have their individual water lines transferred from the old watermains to the new watermains.
- A new water service line will be brought up to the property line where a new water service box will also be installed. Where possible your water line will be brought up to the property line using trenchless methods. However, **the area around the water service box will be excavated.**

A larger, interactive version of this picture can be found at [peelregion.ca/pw/water/rates/waterbills/yourhome/responsibilities.htm](http://peelregion.ca/pw/water/rates/waterbills/yourhome/responsibilities.htm)

### When?

- We expect to start this work at Hayden Court on or about August 20, 2018.
- The project should be completed before December 2018. All work is under warranty for two years from the completion date.
- We will start restoring the road when all water system replacements and transfers are complete, and as weather permits.

### Who can you call?

Region of Peel		
Contact Person	Responsibilities	Telephone Number
Rene Gomez Solomon Gyabaah	Project Manager Inspector	905-791-7800, ext. 3809 905-791-7800, ext. 3246
Pentad Construction Inc.		
Pentad Construction Inc. will do the work, under contract to the Region of Peel		
Contact Person	Responsibilities	Telephone Number
Vince Giorgio Nick Marino	Project Manager Site Superintendent	1-905-951-1552 1-905-951-1552

### Working Hours

- Our contractor's normal working hours are from 7 a.m. to 7 p.m. These hours are consistent with the local municipality's bylaws. We understand this may cause some inconvenience, but a shorter working day would mean the project would take longer to complete.

### Interrupting Your Water Supply

- It is our goal to let you know 48 hours (2 days) in advance if we need to shut off your water for long duration shut downs. Occasionally, we may have to reduce this notice to 24 hours.
- For water interruption during service transfers, the contractor will notify you the day of the transfer as this will be a brief interruption.
- If we have to shut off your water because of an emergency, we will do everything we can to fix the problem as quickly as possible.

### Project Updates

- The Region of Peel will always let you know if there are any major changes to the plans.
- We will try to disturb you as little as possible.
- Please call the project manager or inspector if you have any concerns or special needs.

### How Did We Do?

- After we've finished, we will give you a postage-paid card for you to rate our work.
- Please complete the card and mail it back to us.

Thank you!

Rene Gomez  
Project Manager
