

November 11, 2020
Project 18-1340 H2

**PROJECT UPDATE
WATERMAIN REPLACEMENT AND IMPROVEMENT
STERNE AVENUE
CITY OF BRAMPTON**

What are we doing?

- Reinstating driveways, sod (weather permitting) and boulevard following the replacement of the watermain and services along Sterne Avenue.
- To complete restoration following upgrade of the water distribution system.

When?

- We expect to start work on or about November 16th, 2020 (weather permitting). The work will commence with sod and driveway restoration, followed by tree placements.
- All restoration on this project should be completed by the end of 2020.

Who can you call?

Region of Peel		
Contact Person	Responsibilities	Telephone Number
Jimmy Cheema Roman Melnikov	Project Manager Inspector	905-791-7800, ext. 5403 905-791-7800, ext. 3246
London Excavators		
London will do the work, under contract to the Region of Peel		
Contact Person	Responsibilities	Telephone Number
Massimo Sansone Frank Carelli	Project Manager Site Superintendent	416-676-1984 647-926-9201
Pave-Tar Construction Ltd.		
Pave-tar will do the driveways, curb and sidewalk, under contract to London Excavators		
Contact Person	Responsibilities	Telephone Number
Rick Da Silva	Site Supervisor	416-798-7890

Traffic and Parking Control

- We may need to reduce traffic to a single lane during construction.
- If we have to reroute traffic, we will place signs giving directions.

Driveway Access

- Due to construction activities, we may need to block your driveway for a short time. We will contact you before we do this to arrange for the best time and for alternate access, if needed.
- We will make sure businesses have access at all times.
- Please call the Project Manager if you have special needs related to access or business hours.

Replacing and Taking Care of Your Sod

- The contractor will take care of any sod we replace for 30 days.

- You can help the sod to stay healthy by watering it for one hour in the early morning, two or three times a week. This is especially important in hot or dry weather.
- We will replace your sod as soon as we can, but there may be a short delay.
- It is very common for the work area to settle a bit following construction. If you notice any settlement, please let the project manager or inspector know and we will ensure the contractor fixes it.
- Due to the time of the year, the sod may be delayed until Spring 2021.

Repairing Your Driveway

- If we have cut your driveway, we will repair the asphalt in the disturbed area from edge to edge across the driveway. Unfortunately, the Region **cannot** completely replace your driveway.
- If you would like to have the rest of your driveway paved at this time, please contact Pave-Tar Construction Ltd. named on the front of this letter. They will be the only driveway contact you need. Please do not accept direct solicitation from any contractor telling you that they have been retained by the Region of Peel. Please remember this is your option. If you choose to do nothing, we will repair all areas damaged by our construction; however, we are unable to completely replace your whole driveway.
- If we damaged a portion of your **interlock driveway/concrete driveway**, our contractor will reinstate the damaged portion of the driveway.

Project Updates

- The Region of Peel will always let you know if there are any major changes to the plans.
- We will try to disturb you as little as possible.
- Please call the project manager or inspector if you have any problems or special needs.

Thank you!
Jimmy Cheema
Project Manager

C: Councillor M. Medeiros

Construction statement regarding COVID-19

Critical infrastructure construction is an essential service. We're keeping employees, contractors and the community safe by complying with [provincial guidelines](#), physical distancing, using personal protective equipment, and adjusting work schedules and shifts.
