Project 18-1340I

WATERMAIN AND SANITARY SEWER REPLACEMENT AND IMPROVEMENT ON SKEGBY ROAD AND CARTER DRIVE, ASSIGNMENT I, CITY OF BRAMPTON

Update

- The new watermain on Skegby Road has now been installed and commissioned. The next phase is to replace the water services on Skegby Road from Linkdale Road to Carter Drive (East side). Properties on this section of Skegby Road will now have their individual water lines transferred from the old watermain to the new watermain.
- A new water service line will be brought up to the property line where a new water service box will also be installed. Where possible your water line will be brought up to the property line using trenchless methods. However, **the area around the water service box will be excavated.**

When?

- This work has commenced Monday May 25th, 2020.
- The project should be completed by the end of August 2020. All work is under warranty for two years from the completion date.
- We will start restoring the road when all water system replacements and transfers are complete, and as weather permits. Sod restoration will take place in the Summer of 2020.

Who can you call?

Region of Peel		
Contact Person	Responsibilities	Telephone Number
Mark Masley Joseph Vivileccia	Project Manager Inspector	905-791-7800, ext. 5026 905-791-7800, ext. 3246
Rymall Construction		
Rymall Construction will do the work, under contract to the Region of Peel		
Contact Person	Responsibilities	Telephone Number
Bob Clarke Piero Fabiano	Project Manager Site Superintendent	1-416-745-0707 ext. 227

Working Hours

- Our contractor's normal working hours are from 7 a.m. to 7 p.m. These hours are consistent with the local municipality's bylaws. We understand this may cause some inconvenience, but a shorter working day would mean the project would take longer to complete.

Interrupting Your Water Supply

- It is our goal to let you know 48 hours (2 days) in advance if we need to shut off your water. Occasionally, we may have to reduce this notice to 24 hours.
- For water interruption during service transfers the contractor will notify you the day of the transfer as this will be a brief interruption, this will ensure proper notification for short duration works.
- If we have to shut off your water because of an emergency, we will do everything we can to fix the problem as quickly as possible.

Project Updates

- The Region of Peel will always let you know if there are any major changes to the plans.
- We will try to disturb you as little as possible.
- Please call the project manager or inspector if you have any concerns or special needs.

How Did We Do?

- After we've finished, we will give you a postage-paid card for you to rate our work.
- Please complete the card and mail it back to us.

Thank you!

Mark Masley
Project Manager
