

December 19, 2019
Project 18-1340I and 18-2300B

**PROJECT UPDATE
WATERMAIN AND SANITARY SEWER REPLACEMENTS
ON SKEGBY ROAD AND CARTER DRIVE
CITY OF BRAMPTON**

What are we doing?

- We have completed watermain and sanitary sewer replacements in your area. Still outstanding are a few water service and sanitary service connections on the east side of Skegby Road, and some restoration (driveways, curbs, sidewalks, sodding and asphalt reconstruction). We have left the construction site in a safe condition for the rest of the winter.

When will we be back?

- We expect to start work in April, 2020.
- Works should be complete by July 2020.

Who can you call?

REGION OF PEEL PERSONNEL		
Name	Responsibility	Telephone Number
Mark Masley	Project Manager	905-791-7800 ext. 5026
