ROAD IMPROVEMENTS ON BOVAIRD DRIVE – PROJECT 19-4675

Where is the work happening?

- On Bovaird Drive from Van Kirk Drive/Royal Orchard Drive to Lake Louise Drive/Worthington Avenue, City of Brampton

What are we doing?

- The work includes:
 - removal and replacement of asphalt pavement on Bovaird Drive;
 - intersection improvements and traffic signal modifications;
 - sidewalk and multi-use trail repair and restorations.

When?

- Construction Start: June 2019 - Finish: September 2019 (weather permitting)

Working Hours

- Graham Bros. Construction Limited has been contracted to complete the work on the Region's behalf. Hours of operation are from 7 a.m. to 7 p.m., Monday to Friday and work may also be done on Saturdays.
- These hours follow the city's by-laws. Extended working hours may cause some inconvenience to the public, however, will help facilitate completion of the project as quickly as possible.

Traffic Control

- The project will be phased to minimize traffic disruption while maintaining a safe working environment as required under the Occupational Health and Safety Act.
- Existing traffic flows will be maintained during construction. However, due to the nature of the work, we will need to reduce traffic lanes to a single lane (each direction) and temporarily block intersections during construction.
- Emergency access will be maintained at all times.
- Please use caution when travelling through the work zone.

Driveway Access

- We will maintain driveway access as much as possible and if we need to block your driveway for a short time you will be contacted to arrange for the best time.
- We will make sure businesses have access at all times.

Project Updates

- The Region of Peel will keep you informed of any substantial changes in the project scope or schedule.
- Please call the project manager if you have any special needs.

Who can you call?

Jerry Tan, Region of Peel Project Manager at 905-791-7800 ext. 7916
