

August 26, 2020
Project 19-1340 C and 18-1340 D

**PROJECT UPDATE
WATERMAIN REPLACEMENT AND IMPROVEMENT
JAYFIELD ROAD AND ORENDA COURT
CITY OF BRAMPTON**

What are we doing?

- Reinstating driveways, sod, sidewalk, and curb following the replacement of the watermain and services along Jayfield Road and Orenda Court
- To complete restoration following upgrade of the water distribution system.

When?

- We expect to start work on or about August 27, 2020.
- The project should be completed before October 2020.

Who can you call?

Region of Peel		
Contact Person	Responsibilities	Telephone Number
Rene Gomez	Project Manager	905-791-7800, ext. 3809
Solomon Gyabaah	Inspector	905-791-7800, ext. 3246
Rymall Construction		
Rymall Construction will do the work, under contract to the Region of Peel		
Contact Person	Responsibilities	Telephone Number
Bob Clarke	Project Manager	1-416-745-0707
Piero Fabiano	Site Superintendent	1-416-745-0707

Traffic and Parking Control

- We may need to reduce traffic to a single lane during construction.
- If we have to reroute traffic, we will place signs giving directions.

Driveway Access

- Due to construction activities, we may need to block your driveway for a short time. We will contact you before we do this to arrange for the best time and for alternate access, if needed.
- We will make sure businesses have access at all times.
- Please call the Project Manager if you have special needs related to access or business hours.

Replacing and Taking Care of Your Sod

- The contractor will take care of any sod we replace for 30 days.
- You can help the sod to stay healthy by watering it for one hour in the early morning, two or three times a week. This is especially important in hot or dry weather.
- We will replace your sod as soon as we can, but there may be a short delay due to weather.
- It is very common for the work area to settle a bit following construction. If you notice any settlement, please let the project manager or inspector know and we will ensure the contractor fixes it.

Repairing Your Driveway

- **The City of Brampton has scheduled Jayfield Road and Orenda Court Rehabilitation in 2022, pending Council approval.** During Roadway Rehabilitation works, a portion of most driveways will be disturbed again along the curb.
- If we damaged a portion of your **asphalt driveway**, a temporary asphalt patch will be installed by our watermain contractor. Following the City of Brampton's work your driveway will be replaced in the disturbed area from edge to edge across the driveway.
- We will repair your driveway as soon as we can, but there may be a short delay.

Repairing the Road, Driveway Aprons, Curbs, and Sidewalks

- All sections of curbs impacted by the watermain construction will be permanently restored this year.
- All sidewalk bays impacted by the watermain construction shall be permanently restored this year.
- The impacted roadway in your neighborhood will be restored with new asphalt over the watermain trench width only.
- As part of the overall improvement in your neighborhood, the City of Brampton shall resurface your street as part of their road resurfacing program, scheduled in 2022 pending Council approval.

Project Updates

- The Region of Peel will always let you know if there are any major changes to the plans.
- We will try to disturb you as little as possible.
- Please call the project manager or inspector if you have any problems or special needs.

Thank you!
Rene Gomez
Project Manager

C: Councillor M. Medeiros
Councillor P. Fortini

Construction statement regarding COVID-19

Construction is an essential service. We're keeping employees, contractors and the community safe by complying with provincial regulations, physical distancing, using PPE and adjusting work schedules & shifts.
