## **ROAD IMPROVEMENTS ON BOVAIRD DRIVE – PROJECT 19-4675**

### **Where is the work happening?**

- On Bovaird Drive from Caseley Drive to 300m East of Caseley Drive, City of Brampton

### **What are we doing?**

- The work includes:
  - removal and replacement of asphalt pavement on Bovaird Drive;
  - catch basin repairs and restorations.

### **When?**

- Construction Start: July 2019 - Finish: September 2019 (weather permitting)

### **Working Hours**

- Graham Bros. Construction Limited has been contracted to complete the work on the Region's behalf. Hours of operation are from 7 a.m. to 7 p.m., Monday to Friday and work may also be done on Saturdays.
- These hours follow the city's by-laws. Extended working hours may cause some inconvenience to the public, however, will help facilitate completion of the project as quickly as possible.

### **Traffic Control**

- The project will be phased to minimize traffic disruption while maintaining a safe working environment as required under the Occupational Health and Safety Act.
- Existing traffic flows will be maintained during construction. However, due to the nature of the work, we will need to reduce traffic lanes to a single lane (each direction) and temporarily block intersections during construction.
- Emergency access will be maintained at all times.
- Please use caution when travelling through the work zone.

### **Driveway Access**

- We will maintain driveway access as much as possible and if we need to block your driveway for a short time you will be contacted to arrange for the best time.
- We will make sure businesses have access at all times.

### **Project Updates**

- The Region of Peel will keep you informed of any substantial changes in the project scope or schedule.
- Please call the project manager if you have any special needs.

### **Who can you call?**

**Jerry Tan**, Region of Peel Project Manager at 905-791-7800 ext. 7916
