

Burnhamthorpe Water Project

What's New?

September 16, 2019

Compound at Burnhamthorpe Road and Duke of York Boulevard Working Hours

Starting this week, we will be **tunnelling 24 hours** a day:

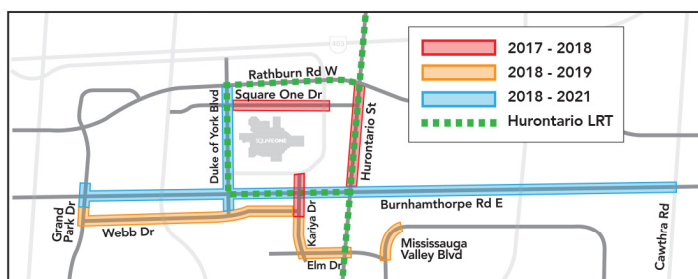

- Monday at 7 a.m. to Saturday at 7 a.m.
- We are tunnelling under Duke of York Boulevard between Burnhamthorpe Road and Prince of Wales Drive. This section should take approximately 3 weeks to complete. We will then move the machinery up to the compound at Prince of Wales Drive.

Minimising the Impact to You:

- There will be **no generator** at this site.
- **Lights** will be directed away from neighbouring condominiums.
- There will be some **noise** from construction equipment, but **we will do everything possible to keep the noise to a minimum.**
- **After 7 p.m.**, there will be no trucking from the site.
