

August 6, 2020
Project 15-1345 C

PROJECT UPDATE
WATERMAIN REPLACEMENT AND IMPROVEMENT
BOUGH BEECHES BOULEVARD AND CLAYPINE RISE
CITY OF MISSISSAUGA

What are we doing?

- Reinstating driveways, road, sod, and curb following the replacement of the watermain and services along Bough Beeches Boulevard and Claypine Rise.
- To complete restoration following upgrade of the water distribution system.

When?

- We expect to start work on or about August 10, 2020.
- The project should be completed by September 2020.

Who can you call?

Region of Peel		
Contact Person	Responsibilities	Telephone Number
Rene Gomez	Project Manager	905-791-7800, ext. 3809
Brandon Vandermeer	Inspector	905-791-7800, ext. 3246
Lancorp Construction		
Lancorp Construction will do the work, under contract to the Region of Peel		
Contact Person	Responsibilities	Telephone Number
Eliseo Lancione	Project Manager	1-905-660-0778
Tony Vuocolo	Site Superintendent	1-905-660-0778

Traffic and Parking Control

- We may need to reduce traffic to a single lane during construction.
- If we have to reroute traffic, we will place signs giving directions.
- Please make sure that the road is cleared of vehicles (and any type of materials) by 7 a.m.
- **Please do not park on the road during the above dates.**

Driveway Access

- Due to construction activities, we may need to block your driveway for a short time. We will contact you before we do this to arrange for the best time and for alternate access, if needed.
- We will make sure businesses have access at all times.
- Please call the Project Manager if you have special needs related to access or business hours.

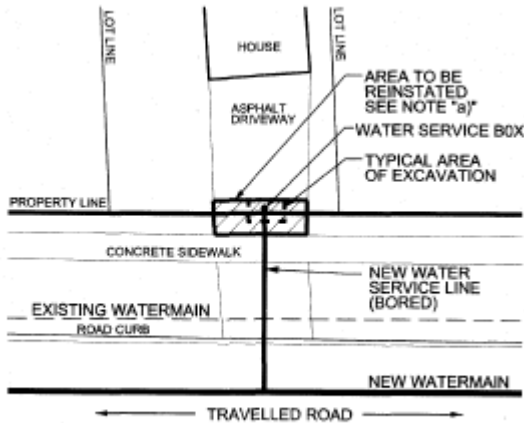

Replacing and Taking Care of Your Sod

- The contractor will take care of any sod we replace for 30 days.
- You can help the sod to stay healthy by watering it for one hour in the early morning, two or three times a week. This is especially important in hot or dry weather.
- We will replace your sod as soon as we can, but there may be a short delay.

- It is very common for the work area to settle a bit following construction. If you notice any settlement, please let the project manager or inspector know and we will ensure the contractor fixes it.

Repairing Your Driveway (Claypine Rise)

- If we have cut your driveway, we will repair the asphalt in the disturbed area from edge to edge across the driveway. Unfortunately the Region **cannot** completely replace your driveway.
- We will repair your driveway as soon as we can, but there may be a short delay.

NOTES: a) - REPLACE EXISTING WATER SERVICE TO PROPERTY LINE

- If you would like to have the rest of your driveway paved at this time, please contact the contractor named on the front of this letter. Please do not accept direct solicitation from any contractor telling you that they have been retained by the Region. Please remember this is your option. If you choose to do nothing, **we will repair all areas damaged** by our construction; however, we are unable to completely replace your driveway.

Repairing Your Driveway (Bough Beeches Boulevard)

- **The City of Mississauga has scheduled Bough Beeches Boulevard Rehabilitation in 2021, pending Council approval.** During Roadway Rehabilitation works, a portion of most driveways will be disturbed again along the curb.
- If we damaged a portion of your **asphalt driveway**, a temporary asphalt patch will be installed by our watermain contractor. Following the City of Mississauga's work your driveway will be replaced in the disturbed area from edge to edge across the driveway.
- We will repair your driveway as soon as we can, but there may be a short delay.

Repairing the Road, Driveway Aprons, Curbs, and Sidewalks (Bough Beeches Boulevard)

- All sections of curbs impacted by the watermain construction will be temporarily restored with asphalt this year.
- All sidewalk bays impacted by the watermain construction shall be permanently restored this year.
- The impacted roadway in your neighborhood will be restored with new asphalt over the watermain trench width only.

- As part of the overall improvement in your neighborhood, the City of Mississauga shall resurface your street as part of their road resurfacing program, scheduled in 2021 pending Council approval.

Project Updates

- The Region of Peel will always let you know if there are any major changes to the plans.
- We will try to disturb you as little as possible.
- Please call the project manager or inspector if you have any problems or special needs.

Thank you!

Rene Gomez
Project Manager

Cc: Councillor C. Fonseca

Construction statement regarding COVID-19

Construction is an essential service. We're keeping employees, contractors and the community safe by complying with provincial regulations, physical distancing, using PPE and adjusting work schedules & shifts.
