Project 15-1345 C

PROJECT UPDATE

WATERMAIN REPLACEMENT AND IMPROVEMENT CLAYPINE RISE CITY OF MISSISSAUGA

Update

- The new watermain on Claypine Rise has now been installed. The next phase is to commission the watermain and put it into service. Properties on this street will now have their individual water lines transferred from the old watermain to the new watermain.
- A new water service line will be brought up to the property line where a new water service box will also be installed. Where possible your water line will be brought up to the property line using trenchless methods. However, **the area around the water service box will be excavated.**

When?

- We expect to start this work on or about June 17, 2020
- The project should be completed before August 2020. All work is under warranty for two years from the completion date.
- We will start restoring the road when all water system replacements and transfers are complete, and as weather permits.

Who can you call?

Region of Peel		
Contact Person	Responsibilities	Telephone Number
Rene Gomez	Project Manager	905-791-7800, ext. 3809
Brandon Vandermeer	Inspector	905-791-7800, ext. 3246
Lancorp Construction		
Lancorp Construction will do the work, under contract to the Region of Peel		
Contact Person	Responsibilities	Telephone Number
Eliseo Lancione	Project Manager	1-905-660-0778
Tony Vuocolo	Site Superintendent	1-905-660-0778

Working Hours

- Our contractor's normal working hours are from 7 a.m. to 7 p.m. These hours are consistent with the local municipality's bylaws. We understand this may cause some inconvenience, but a shorter working day would mean the project would take longer to complete.

Interrupting Your Water Supply

- It is our goal to let you know 48 hours (2 days) in advance if we plan to shut off your water for an **extended period** (several hours). Occasionally, we may have to reduce this notice to 24 hours.
- On the day we connect your water service to the new watermain, the contractor will let you know that your water will be shut off for a **brief period**. This will ensure proper notification for short duration works.
- If we must shut off your water because of an emergency, we will do everything we can to fix the problem as quickly as possible.

Project Updates

- The Region of Peel will always let you know if there are any major changes to the plans.
- We will try to disturb you as little as possible.
- Please call the project manager or inspector if you have any concerns or special needs.

How Did We Do?

- After we've finished, we will give you a postage-paid card for you to rate our work.
- Please complete the card and mail it back to us.

Thank you!

Rene Gomez
Project Manager

Cc: Councillor C. Fonseca

Construction statement regarding COVID-19

Construction is an essential service. We're keeping employees, contractors and the community safe by complying with provincial regulations, physical distancing, using PPE and adjusting work schedules & shifts.
