Project 15-1345 C

PROJECT UPDATE
WATERMAIN REPLACEMENT AND IMPROVEMENT
BOUGH BEECHES BOULEVARD AND CLAYPINE RISE
CITY OF MISSISSAUGA

Work to be done:

- Replacing and improving the aging watermain along Bough Beeches Boulevard and Claypine Rise as shown on the attached map.

Schedule:

- We expect to start work on or about the week of September 9, 2019.
- The project should be completed before December 2019

Traffic impact:

- There will be construction activities on Bough Beeches Boulevard and Claypine Rise.
- Please expect delays on these streets; if possible, use alternative routes.
- We may need to reduce traffic to a single lane during construction.
- If we have to reroute traffic, we will place signs giving directions.

Working Hours

- Our contractor's normal working hours are from 7 a.m. to 7 p.m. These hours are consistent with the local municipality's bylaws. We understand this may cause some inconvenience, but a shorter working day would mean the project would take longer to complete.
