Project 16-1310 C

**PROJECT UPDATE
WATERMAIN REPLACEMENT AND IMPROVEMENT
ALTADENA COURT
CITY OF MISSISSAUGA**

What are we doing?

- Reinstating driveways, sod, and curb following the replacement of the watermain and services along Altadena Court.

Why?

- To complete restoration following upgrade of the water distribution system.

When?

- We expect to start work on or about May 18, 2017.
- The project should be completed before June 30, 2017.

Traffic and Parking Control

- We may need to reduce traffic to a single lane during construction.
- If we have to reroute traffic, we will place signs giving directions.

Driveway Access

- Due to construction activities, we may need to block your driveway for a short time. We will contact you before we do this to arrange for the best time and for alternate access, if needed.
- Please call the Project Manager if you have special needs related to access.

Replacing and Taking Care of Your Sod

- The contractor will take care of any sod we replace for 30 days.
- You can help the sod to stay healthy by watering it for one hour in the early morning, two or three times a week. This is especially important in hot or dry weather.
- We will replace your sod as soon as we can, but there may be a short delay.

- It is very common for the work area to settle a bit following construction. If you notice any settlement, please let the project manager or inspector know and we will ensure the contractor fixes it.

Repairing Your Driveway

- If we have cut your driveway, we will repair the asphalt in the disturbed area. Unfortunately the Region **cannot** completely replace your driveway.
- We will repair your driveway as soon as we can, but there may be a short delay.
- We will only temporarily reinstate your driveway as the damaged area of your driveway will be permanently reinstated later this summer under the City of Mississauga's Road Reconstruction Project, which is expected to take place either later in 2017 or 2018. For further information on the City's Road Reconstruction Project, please contact Dagmar Chang, Capital Project Manager, 905-615-3200 ext. 5184.

Repairing the Road, Driveway Aprons, Curbs and Sidewalks

- Our contractor will pave only the trench they dug and install temporary curbs because the City of Mississauga plans to pave Altadena Court in late 2017 or 2018.
- If you have any questions or concerns, please contact the Region of Peel Project Manager.

Project Updates

- The Region of Peel will always let you know if there are any major changes to the plans.
- We will try to disturb you as little as possible.
- Please call the project manager or inspector if you have any problems or special needs.

Thank you!

Nicole Sartor
Project Manager
