Working Hours

- The Contractor's working hours are from 7 a.m. to 7 p.m, Monday to Friday. The Contractor is permitted to work on Saturdays if they choose to.
- These hours are consistent with the local municipality's by-laws. We understand this may cause some inconvenience, but a shorter working day would mean the project would take longer to complete.

Traffic Control

- The works will be phased so as to minimize disruption to traffic while still maintaining a safe working environment as required under the Occupational Health and Safety Act.
- Existing traffic flows will be maintained during construction. However, temporary lane closures will be required over the duration of the project.
- Emergency access will be maintained at all times.
- Barriers and signs will be placed for safety and direction, as required under the Occupational Health and Safety Act.

Driveway Access

- We anticipate that driveway access will be maintained in so far as possible.
- If we need to block your driveway for a short time, you will be contacted to arrange for the best time and for alternate access. If your driveway is blocked, you may choose to park on a side street for a short time.
- We will make sure businesses have access at all times.
- Please call the Project Manager if you have special needs related to access.

Project Updates

- The Region of Peel will keep you informed of any substantial changes in the project scope or schedule.
- We are committed to ensuring minimum disruption to your homes and businesses.
- Please call the Project Manager or Inspector if you have any special needs.

Thank you,

Jerry Tan, C.E.T.
