REHABILITATION OF ERIN MILLS PARKWAY FROM FOWLER DRIVE TO SOUTH OF HWY 403, CITY OF MISSISSAUGA, PROJECT 18-4635

PROJECT UPDATE: Road resurfacing, starting May 3, 2020

Dear Business Owner/Operator,

Road resurfacing on Erin Mills Parkway from south of Hwy 403 to south of Dundas Street will start on Sunday night, May 3, 2020 (weather permitting).

Traffic Impacts - milling and paving operations will be phased so as to minimize disruption to traffic. However, due to the nature of the works, lane closures will be required and left turning movements and intersections may be temporarily blocked while work progresses.

Driveways along Erin Mills Parkway will not be accessible for the duration of the resurfacing work. Patrons will need to use side street driveway access instead.

Work will be done during daytime and nighttime hours. Some work may also be done on Saturdays and Sundays. Extended working hours are inconvenient but will speed up completion of the project.

We apologize for any inconvenience this may cause.
