

Burnhamthorpe Water Project

What's New?

August 22, 2019

Watermain and Sanitary Sewer Upgrades

Webb Drive

Grand Park Drive (Burnhamthorpe Road to Webb Drive)

September 2019 – Early Spring 2020

- We are installing a new watermain on Webb Drive and Grand Park Drive (Burnhamthorpe Road to Webb Drive) and a new sanitary sewer on Webb Drive (Redmond Drive to Confederation Parkway).
- Watermain construction will start in the cul-de-sac on the east end of Webb Drive, and will then move west toward Grand Park Drive. When we have completed the watermain, we will install the sanitary sewer.
- The road, curbs and sod will be restored once the watermain and sewer has been completed.

Working Hours

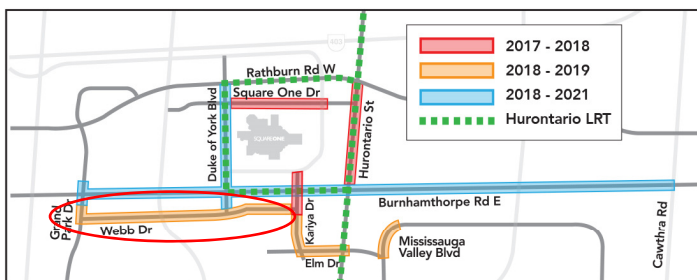

- Our normal working hours are from 7 a.m. to 7 p.m., in compliance with the City's bylaws. We understand this may cause some inconvenience, but a shorter working day would mean the project would take longer to complete.

Traffic and Parking Control

- There will be lane restrictions when we are working in an area.
- On-street parking will not be permitted in the construction area.
- The school crossing on Webb Drive will be relocated as needed to ensure the children's safety.

Project Updates

- We will let you know if there are any major changes to our plans.
- The latest updates are online at peelregion.ca/bwp or on Twitter @peelpublicworks #peelbwp.
