

July 2018

Duke of York Boulevard at Prince of Wales Drive Until December 2019

- We are building a 1200mm (4 feet) diameter sanitary sewer by microtunnelling under Duke of York Boulevard between Burnhamthorpe Road and Rathburn Road.
- As part of this work, we must dig a shaft beside the Duke of York entrance to Square One Shopping Centre. To keep the public safe, we will build a construction compound around the shaft. The walls will be about 10 feet high and will be in place until December 2019.
- **Vehicles (Northbound Only):**
 - Traffic will be reduced to one lane past the compound.
 - There will be no dedicated left-turn lane from Duke of York to Prince of Wales, but left turns will be allowed.
- **Pedestrians and Cyclists:**
 - The sidewalk and trail on the east side of Duke of York will be closed in the work area; please use the sidewalk on the west side.
- **MiWay Routes 8N, 26E and 91N:**
 - Stop #0460 is closed. Please use either:
 - #1400 Duke of York at Princess Royal
 - #0019 Duke of York at Rathburn
- **Square One Shopping Centre:**
 - The entrance to Square One Shopping Centre will remain fully accessible.
- We take pride in our housekeeping and will ensure the area is kept as clean and as attractive as possible.
