## Hurontario Street and Burnhamthorpe Road Working Hours

Starting February 25, we will be tunnelling 24 hours a day:

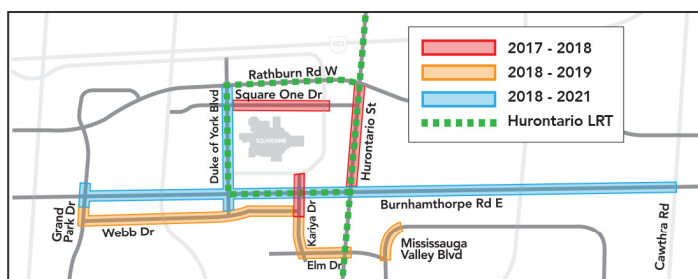

- Monday at 7 a.m. to Saturday at 7 a.m.
- Our generators have noise dampeners and will operate within the City's noise bylaw limits (maximum 65 dBA).
- Lights will be directed away from neighbouring condominiums.
- There will be some construction noise from equipment such as the crane, ventilation fans, trucks, etc.
- **After 7 p.m.**, we there will be no trucking from the site.

**We will do our best to minimise any disturbance to residents at night.**

### Questions?
