Webb Drive at Confederation Parkway

September 16 – September 30, 2019 (Weather Permitting)

- We are installing a watermain on Webb Drive.
- As our work is in the Webb Drive/Confederation Parkway intersection, lanes in all directions are affected.
- There is **one lane of traffic in each direction**: east/west on Webb Drive and north/south on Confederation Parkway.
- The **cycle lane markings** on Webb Drive west of Confederation Parkway have been removed in order to provide one lane of traffic in each direction. Vehicles: please travel in **single file** and yield to cyclists!
- All turns are allowed at the intersection.
- **Please pay attention!** Both directions of traffic may be on the same side of the central concrete median.
- The **lane restrictions are in effect 24 hours**. We cannot open the lanes in the evening because there is a deep trench in the road.

Please drive carefully through the intersection!

Thank you for your patience.
