

Disinfection Record

Business name and location: _____

Name of disinfectant	Concentration of disinfectant (if applicable)	Date prepared (mm/dd/yy)	Date discarded (mm/dd/yy)

The operator must keep a disinfectant record for a high level disinfectant.

Records must be:

- kept for three years in a secure location
- kept at the business for at least the first year
- provided to a public health inspector upon request

For more information, contact your public health inspector at **905-799-7700**
