Please Refer to Back of Form for Other Provisions

Provisions and Conditions

1. Notwithstanding any of the provisions of this permit, the police or appropriate road authority may change or cancel this permit and may cause the vehicle(s) and load to be removed from the roadway due to congestion or hazardous conditions being encountered as a result of the unit being on the road and may require the operator to wait for an escort to continue the move.
2. This permit does not relieve the permit holder/driver of the responsibilities of complying with all municipal by-laws regulating weights and dimensions of vehicles, as signed on the roadways.
3. a) The applicant must have in force the following policies:
Motor vehicle liability insurance having a minimum limit of \$3,000,000.00.
Comprehensive general liability insurance having a minimum limit of \$2,000,000 and naming the road authorities listed on the front of this permit as additional insureds.
Proof of these coverages shall be provided on the certificate of insurance included with this permit.
- b) In consideration of the issuance of this permit and other good and valuable consideration, the applicant, their heirs, executors, administrators, or assigns, hereby agree to indemnify and save harmless, the road authorities listed on the front of this permit, from any action, claim, damages, costs (including legal costs) or loss whatsoever, arising from operations carried out under this permit.
4. The applicant shall show proof of having obtained a building permit where applicable for the movement of buildings.
5. The applicant may be required to file a bond and/or certified cheque with this application in such an amount as at the discretion of the appropriate road authority, utility, or railroad, as deemed necessary to cover the cost of facilitating the move and of repairing any damages resulting therefrom.
6. All authorized signatures of the appropriate road authorities and the agencies indicated as required on this permit shall be obtained before this permit is considered to be valid.
7. Any violations of this permit, or the provisions and conditions therein, may result in the permit being cancelled.
8. This permit shall accompany the vehicle for which it is issued. In the case of multi-vehicle permits, a copy of the permit and supplemental list of vehicles shall accompany each vehicle. The permit and all attachments shall be produced upon request of a police officer or any authorized authority.
9. The applicant shall verify all structure clearance heights, on site, 48 hours prior to any move.
10. **Applicants shall comply with regional and area municipality axle load weight and heavy truck restrictions as required.**
11. **This permit is not valid at any time from one half hour after sunset, to one half hour before sunrise, or at any other time when, due to insufficient light, or unfavourable atmosphere conditions, persons and vehicles on the highway are not clearly discernable at a distance of 150 metres or less, or from Monday to Friday inclusive during the hours of 6:30 a.m. – 9:00 a.m., and 4:00 p.m. – 6:00 p.m.**

Annual Excess Load Moving Permit

12. The maximum dimensions and weight of vehicle plus load allowed under this permit are as follows:
Width – 3.7 metres; **Height** – 4.5 metres; **Length** – 25 metres; **Weight** – as per Highway Traffic Act.
13. a) Vehicles and loads in excess of the width and/or length prescribed under section 110 of the Highway Act shall be marked with four or more flags, one as near as practicable to each corner of the vehicle or load. The flag shall be bright red or orange in colour and shall be not less than **400 mm** square. Where a vehicle or load is wider at any point or points on either side than at the corner, it shall, where practicable, be so marked with such a flag at the nearest point on each side.
- b) Vehicles and loads in excess of the length prescribed under section 110 of the Highway Act shall, in addition to the flags required under provision #12a, display on the rear, in a clearly visible position, a sign bearing the words, "long load" in black letters at least **200 mm** high, with lines forming the letters at least **30 mm** wide on a yellow retro-reflective background, or an approved M.T.O. "D" sign. This sign is to be removed or covered when not in use.

Mobile Cranes

14. Notwithstanding provision #10, the permitted axle weight for mobile cranes shall be as set out on the valid M.T.O. annual permit issued for that vehicle, a copy of which must be provided when the permit application is made.
15. Notwithstanding provision #11:
 - (i) for units having a maximum width of **2.5 metres**, this permit is valid from one half hour after sunset to one half hour before sunrise, provided that a retro-reflective band (black and yellow chevron design) at least **150 mm** high is displayed at the rear across the entire width of the vehicle;
 - (ii) for units having a width of more than **2.5 metres** to a maximum of **3.5 metres**, this permit is valid from one half hour after sunset to one half hour before sunrise on four and six lane roadways, provided that a "D" sign at least **450 mm** in height and **2.45 metres** in width, as stipulated by the M.T.O., is displayed at the rear of the vehicle.
16. Notwithstanding provision #11, mobile cranes under **3.5 metres** in width are exempt from time restrictions.
