Dear community partner,

**RE: Continuity of Peel Services – Peel’s commitment to community partners**

By now, you have heard that the Province has tabled the *Hazel McCallion Act*, which, if passed, will dissolve the Region of Peel and make Brampton, Caledon, and Mississauga standalone municipalities on January 1, 2025. We have heard from you, our valued community partners, and are reaching out to share our commitment to continue to service the community with you.

- I respect that you have many questions as a valued partner to Peel and our residents. We do not have many answers right now, but we do know this:
- At this time, there will be no service interruptions for residents, the vulnerable in society or businesses we serve.
- The Province will appoint a Transition Board to determine the roadmap for the work, including timelines.
- Peel staff will continue working with you and participating on existing committees and projects that provide critical services for the community as part of regular business.
- We are analyzing the legislation to understand what it means for Peel.

Please be assured that working with the Regional Chair and members of Regional Council, we will continue to serve Peel residents and businesses, and value your commitment during this time. Thank you for continuing to work with your Peel contacts and teams on the important work that you do. We will continue to keep the community updated; please visit our website - [peelregion.ca](http://peelregion.ca) - for ongoing updates.

Sincerely,

Gary Kent  
Chief Administrative Officer
