

July 19, 2022  
Project 16-1177

## **NOTICE OF TRAFFIC IMPACTS Mayfield Road at Coleraine Drive**

The Region of Peel has been working in your neighborhood to install new watermains along Mayfield Road. This work is required to maintain and improve existing water services.

At this stage of the project, we need to reinstate concrete curbs and repave across the eastbound lanes of Mayfield Road.

### **Traffic impacts**

Temporary lane reductions and lane shifts will be required to complete this work. From **Monday, July 25 to Wednesday July 27, 2022**, traffic will be reduced to a single lane in each direction on Mayfield Road at Coleraine. During this time, truck traffic making right turns from southbound Coleraine Drive to westbound Mayfield Road may find it difficult to make the turn. It may also be difficult for trucks making left turns from eastbound Mayfield Road to northbound Coleraine Drive and will likely cause traffic delays on Mayfield Road west of Coleraine Drive due to temporary removal of the left turn lane on Mayfield Road. It is recommended that truck traffic find an alternate route during this time.

We ask for your patience and will try to minimize any delays.

### **Keeping you informed**

Weather and other unpredictable events may change the date of these traffic impacts. Receive timely project updates right to your inbox by signing up for e-notices at [peelregion.ca/construction](https://peelregion.ca/construction).

Information on this construction project can also be found at [peelregion.ca/pw/construction/bram/16-1177.htm](https://peelregion.ca/pw/construction/bram/16-1177.htm)

### **Safety during construction**

Construction zones require extra caution to keep everyone safe – pedestrians, cyclists, drivers, and construction workers. When driving, walking, or biking through the construction area, please be aware of your surroundings, watch for construction crews and other road users, slow down, account for delays, and consider other routes if possible. To learn more about how to stay safe in construction zones, visit

[peelregion.ca/construction/workzonesafety](https://peelregion.ca/construction/workzonesafety)

Thank you for your patience as we complete this necessary work. This work will allow us to continue providing you with high quality tap water. If you have any questions, please contact us.
