RE: Notice of Study Completion: Class Environmental Assessment (EA) for Mississauga Road from 300 metres (m) north of Financial Drive to 300m north of Queen Street West, City of Brampton

Notice of Filing Addendum: Addendum to the 2006 Municipal Class EA for Mississauga Road from 300m north of Queen Street West to 100m south of Bovaird Road West, City of Brampton

The Region of Peel has completed two studies along the Mississauga Road corridor:

Location 1 - Municipal Class Environmental Assessment Study for improvements to Mississauga Road between Financial Drive and Queen Street West in the City of Brampton, and,

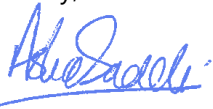

Location 2 - An Addendum to the 2006 Municipal Class Environmental Assessment for improvements to Mississauga Road between Queen Street West and Bovaird Drive West in the City of Brampton.

Both studies document the study process and proposed improvements and the reports are now available for review for 30 days starting Thursday, January 10, 2019 and ending Monday, February 11, 2019. The attached Notice of Study Completion and Notice of Filing Addendum provide details on locations where the study documents can be viewed. You can also review them online on the project website at:

NOTICE OF STUDY COMPLETION

LOCATION 1 – SCHEDULE C MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT (EA) STUDY FOR IMPROVEMENTS TO MISSISSAUGA ROAD FROM 300 METERS (M) NORTH OF FINANCIAL DRIVE TO 300M NORTH OF QUEEN STREET WEST, CITY OF BRAMPTON

NOTICE OF FILING ADDENDUM

LOCATION 2 – ADDENDUM TO THE 2006 MUNICIPAL CLASS EA FOR MISSISSAUGA ROAD FROM 300M NORTH OF QUEEN STREET WEST TO 100M SOUTH OF BOVAIRD DRIVE WEST

Location 1 - The Region of Peel has completed a Municipal Class Environmental Assessment Study for improvements to Mississauga Road between Financial Drive and Queen Street West in the City of Brampton.

Location 2 - The Region of Peel has completed an Addendum to the 2006 Municipal Class EA Study for improvements to Mississauga Road between Queen Street West and Bovaird Drive West in the City of Brampton.

Both studies were conducted according to the requirements in the Municipal Engineers Association document titled Municipal Class Environmental Assessment (October 2000, as amended in 2007, 2011 and 2015).

The planned improvements will benefit all transportation modes including cyclists, pedestrians, transit users and motorists, and will include:

- Widening to 6 lanes;
- Improvement to intersections including turning lanes;
- Multi-use trails (except on the west side from Queen Street – Embleton Road)
- Replacement of the Credit River bridge with a new 6 lane structure;
- Separated crossing for cyclists at intersections (known as a “crossride”);
- Low Impact Development measures to help manage stormwater; and,
- Streetscaping

Study Report Review Period

The study documents detail the planning, consultation and decision making process undertaken for the studies and will be available for review for 30 calendar days starting Thursday, January 10, 2019 and ending on Monday, February 11, 2019 at the following locations:

Region of Peel Clerk’s Department
