## NOTICE OF PUBLIC INFORMATION CENTRE NO.1 AIRPORT ROAD FROM KING STREET TO HUNTSMILL DRIVE, TOWN OF CALEDON MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT STUDY

### The Study

The Region of Peel is conducting a Class Environmental Assessment Study for Airport Road from 100m north of King Street to 300m north of Huntsmill Drive in the Town of Caledon (see map). The purpose of the Study is to:

- Address long term issues related to planned future growth
- Enhance the safety of Airport Road by examining intersection improvements, potential for roundabouts, and traffic calming measures for truck and other vehicular traffic through Caledon East
- Promote healthy living by examining infrastructure improvements for walking and cycling

This Study will not be considering road widening for additional through traffic lanes on Airport Road and will support the Caledon East Community Improvement Plan, including streetscaping.

### The Process

The Study is being conducted in compliance with Schedule 'C' of the Municipal Class Environmental Assessment, which is approved under the Ontario *Environmental Assessment Act*.

### Public Consultation

Two Public Information Centres are planned as part of the Class Environmental Assessment process. The first Public Information Centre will be an informal drop-in centre with information presented on display, including the problems and opportunities identified within the corridor, existing environmental conditions, and preliminary assessment of alternative planning solutions.

## PUBLIC INFORMATION CENTRE NO. 1

## NOTICE OF PUBLIC INFORMATION CENTRE NO. 2 AIRPORT ROAD FROM KING STREET TO HUNTSMILL DRIVE, TOWN OF CALEDON MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT STUDY

The Region of Peel is conducting a Class Environmental Assessment (EA) Study for Airport Road from 100m north of King Street to 300m north of Huntsmill Drive in the Town of Caledon (see map). The purpose of the Study is to:

- Address long term issues related to planned future growth,
- Enhance the safety of the Airport Road corridor by examining intersection improvements, potential for roundabouts and traffic calming measures for truck and other vehicular traffic through Caledon East, and
- Promote infrastructure improvements to facilitate walking and cycling.

The Study is being conducted in compliance with Schedule 'C' of the Municipal Class Environmental Assessment (Municipal Engineers Association, as amended in 2015), which is approved under the *Ontario Environmental Assessment Act*.

### PUBLIC INFORMATION CENTRE NO. 2

Due to the current COVID-19 guidelines, the Public Information Centre (PIC) will be held in an online format to present the evaluation of alternative design concepts and recommended preliminary design.

To have questions answered and provide input/comments you can:

- **Join the live online presentation on September 23 from 6 p.m. to 8 p.m.** to hear more about the project and ask questions. Information on how to join the Presentation will be provided on the Project Website.
- **Visit the Project Website from September 17 to October 14** to review project details:  
<http://www.peelregion.ca/pw/transportation/envirom-assess/airport-road-improvements.htm>
- **Provide your feedback by October 14, 2020.** Share your comments during the live session on September 23 and complete the online Survey and/or Comment Sheet in the link above. You can also email your comments to the Project Team members listed below.

The Project Team will review and consider the feedback received at the PIC and confirm the recommended preliminary design. An Environmental Study Report (ESR) will be prepared to document the planning, consultation and design process. The ESR will be made available for public review for a minimum of 30 calendar days.

If you have any questions or comments on the Study, please contact either of the following Project Team members:

Good morning,

Please note that Chris Neill is no longer employed by the Mississaugas of the Credit. My name is Megan DeVries and I am the Archaeological Operations Supervisor for the Department of Consultation and Accommodation. I have CC'd Fawn Sault, our Consultation Manager. She can follow up with you regarding the PIC notice.

I would like to review the Stage 1 archaeological report. Please note that, if Stage 2 fieldwork is required, MCFN requires that its Field Liaison Representatives participate in the fieldwork alongside the archaeologist.

Sincerely,

Megan.

Hello Chris,

The Region of Peel is completing a Schedule C Municipal Class Environmental Assessment (EA) for the improvements to Airport Road from 100m north of King Street to 300m north of Huntsmill Drive. The project team held the first Public Information Center (PIC) last June and in order to keep you informed a PIC notice was also mailed to you.

Please let me know if you received the PIC notice and also if you have an interest in the project or have any comments for the project team.

The Stage 1 Archaeological Report is available and if you would like to receive a copy, please let me know.

I look forward to hearing from you.

## NOTICE OF PUBLIC INFORMATION CENTRE NO. 2 AIRPORT ROAD FROM KING STREET TO HUNTSMILL DRIVE, TOWN OF CALEDON MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT STUDY

The Region of Peel is conducting a Class Environmental Assessment (EA) Study for Airport Road from 100m north of King Street to 300m north of Huntsmill Drive in the Town of Caledon (see map). The purpose of the Study is to:

- Address long term issues related to planned future growth,
- Enhance the safety of the Airport Road corridor by examining intersection improvements, potential for roundabouts and traffic calming measures for truck and other vehicular traffic through Caledon East, and
- Promote infrastructure improvements to facilitate walking and cycling.

The Study is being conducted in compliance with Schedule 'C' of the Municipal Class Environmental Assessment (Municipal Engineers Association, as amended in 2015), which is approved under the *Ontario Environmental Assessment Act*.

### PUBLIC INFORMATION CENTRE NO. 2

Due to the current COVID-19 guidelines, the Public Information Centre (PIC) will be held in an online format to present the evaluation of alternative design concepts and recommended preliminary design.

To have questions answered and provide input/comments you can:

- **Join the live online presentation on September 23 from 6 p.m. to 8 p.m.** to hear more about the project and ask questions. Information on how to join the Presentation will be provided on the Project Website.
- **Visit the Project Website from September 17 to October 14** to review project details:  
<http://www.peelregion.ca/pw/transportation/enviro-assess/airport-road-improvements.htm>
- **Provide your feedback by October 14, 2020.** Share your comments during the live session on September 23 and complete the online Survey and/or Comment Sheet in the link above. You can also email your comments to the Project Team members listed below.

The Project Team will review and consider the feedback received at the PIC and confirm the recommended preliminary design. An Environmental Study Report (ESR) will be prepared to document the planning, consultation and design process. The ESR will be made available for public review for a minimum of 30 calendar days.

If you have any questions or comments on the Study, please contact either of the following Project Team members:

## NOTICE OF PUBLIC INFORMATION CENTRE NO. 2 AIRPORT ROAD FROM KING STREET TO HUNTSMILL DRIVE, TOWN OF CALEDON MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT STUDY

The Region of Peel is conducting a Class Environmental Assessment (EA) Study for Airport Road from 100m north of King Street to 300m north of Huntsmill Drive in the Town of Caledon (see map). The purpose of the Study is to:

- Address long term issues related to planned future growth,
- Enhance the safety of the Airport Road corridor by examining intersection improvements, potential for roundabouts and traffic calming measures for truck and other vehicular traffic through Caledon East, and
- Promote infrastructure improvements to facilitate walking and cycling.

The Study is being conducted in compliance with Schedule 'C' of the Municipal Class Environmental Assessment (Municipal Engineers Association, as amended in 2015), which is approved under the *Ontario Environmental Assessment Act*.

### PUBLIC INFORMATION CENTRE NO. 2

Due to the current COVID-19 guidelines, the Public Information Centre (PIC) will be held in an online format to present the evaluation of alternative design concepts and recommended preliminary design.

To have questions answered and provide input/comments you can:

- **Join the live online presentation on September 23 from 6 p.m. to 8 p.m.** to hear more about the project and ask questions. Information on how to join the Presentation will be provided on the Project Website.
- **Visit the Project Website from September 17 to October 14** to review project details:  
<http://www.peelregion.ca/pw/transportation/envirom-assess/airport-road-improvements.htm>
- **Provide your feedback by October 14, 2020.** Share your comments during the live session on September 23 and complete the online Survey and/or Comment Sheet in the link above. You can also email your comments to the Project Team members listed below.

The Project Team will review and consider the feedback received at the PIC and confirm the recommended preliminary design. An Environmental Study Report (ESR) will be prepared to document the planning, consultation and design process. The ESR will be made available for public review for a minimum of 30 calendar days.

If you have any questions or comments on the Study, please contact either of the following Project Team members:
