

Environmental Assessment Study NOTICE OF VIRTUAL PUBLIC INFORMATION CENTRE #2

Winston Churchill Boulevard Improvements from Highway 401 to Embleton Road/5 Side Road Regional Municipalities of Peel and Halton

The Study

The Regional Municipalities of Peel and Halton are conducting a Schedule 'C' Municipal Class Environmental Assessment (Class EA) for improvements to Winston Churchill Boulevard from Highway 401 to Embleton Road / 5 Side Road (see map). Winston Churchill Boulevard is a north-south Regional arterial road and forms the boundary between the City of Brampton and the Town of Halton Hills.

The purpose of the study is to examine the need and justification, as well as feasibility for improvements (including widening), changes to road and intersection geometrics, and pavement rehabilitation on Winston Churchill Boulevard to address short and long-term needs related to planned future growth. The study will also review opportunities to better facilitate public transit and active transportation.

The Study Process Includes:

- Indigenous engagement
- Stakeholder consultation (e.g., public, landowners and review agencies)
- An evaluation of alternative solutions and alternative design concepts
- The identification of a preferred design concept
- Two Public Information Centres (PICs)
- Mitigation measures to reduce impacts on the surrounding environment

Virtual Public Information Centre

The purpose of this Notice is to invite you to attend the second PIC that will be held to receive input from the public and interested stakeholders. The PIC information will be provided online at the website linked below. The material will include a summary of PIC #1 and activities that have occurred since, the alternative design concepts which are currently being considered to address transportation requirements in the Study Area. The PIC material will be made available from May 19 to June 9, 2022. Comments regarding the project will be received until June 19, 2022. A summary of questions and answers will be posted online following the PIC.
