2024 GOF Top-Up

New this year:

Helps address wage compression challenges.

 For eligible program staff and supervisors working in program and employed with the centre as of November 1st, 2024.

Flat hourly rate based on position type and years of service.

Staff Eligibility Requirements

- Staff must be currently employed with the provider as of November 1, 2024.
- Staff must have worked and been paid for program hours between January 1 and October 31, 2024 in an eligible position (e.g. program staff, supervisors).
 o Program hours include time in ratio, professional learning, planning, set-up, and mandatory meetings.
- Providers can choose to give a top-up to staff who left before November 1,
 2024. This applies to those who worked and were paid between January 1
 and October 31, 2024, using their one-time top-up budget.

NOTE: Providers are **not required** to pay a top-up to staff who left before November 1, 2024.

Staff Eligibility & Hourly Rates

- The top-up funding is distributed based on an hourly rate which is determined by job position and years of service, for program hours worked and paid from January 1 to October 31, 2024.
- Eligible staff will receive hourly top-up payments as follows:

Position	Years of Service (as of December 31, 2024)	2024 GOF Hourly Top-Up Rate
1. Non-RECE Program Staff	0-3	\$2.00
2. Non-RECE Program Staff	4-9	\$2.50
3. Non-RECE Program Staff	10+	\$2.75
4. RECE Program Staff	0-3	\$1.00
5. RECE Program Staff	4-9	\$2.50
6. RECE Program Staff	10+	\$2.75
7. Supervisor (RECE or Non RECE)	0-3	\$3.00
8. Supervisor (RECE or Non RECE)	4-9	\$4.00
9. Supervisor (RECE or Non RECE)	10+	\$4.25

Calculations and Distribution – Staff Benefits

- Incremental **employer portion** of mandatory benefits/deductions must be calculated and paid for the top-up amount.
- Benefits/deductions depend on the Employment Standards Act and your organization's policies.
 - For questions about applicable benefits/deductions for your organization, contact your accountant or the Canada Revenue Agency. Seek professional guidance if you are unsure about mandatory benefit payments.
- Providers must only claim actual benefits/deductions related to the GOF SWB top-up amount as part of their reconciliation reporting.
 - Providers are funded for benefits based on 17.5%. Only the actual benefits paid should be reported in your reconciliation template.
 - Your benefits amount should align with what your organization's benefit requirements.

How to Determine Staff Payment

Below are the steps to calculate staff top-up payments:

- **Step 1:** Identify eligible employees and their hourly top-up rates from the table.
- **Step 2:** Calculate total hours worked and paid for each eligible employee.
- Step 3: Multiply the hourly top-up rate by total hours worked.
- **Step 4:** Determine the cost of employer contributions for mandatory benefits.

How to Determine Staff Payment

- Step 5: If all eligible staff are paid the Top-Up and you have funding leftover, the calculator will indicate the surplus amounts to be paid to eligible staff.
- Step 6: Issue top-up payments to eligible employees.

IMPORTANT: Funding must be paid to staff by December 31, 2024.

GOF Top-Up – Surplus and Shortfall

What can providers do with a Surplus?

• Distribute any surplus funding equally among GOF-SWB eligible staff based on hours worked and paid between January 1 and October 31, 2024. If there is leftover funding after all eligible staff are paid, distribute it equally.

What can providers do with a Shortfall?

- If funding is not enough to cover top-up amounts for all eligible staff: 1.Complete the "2024 GOF Top-Up Funding Calculator" by <u>November 12, 2024</u>.
 - 2. Send it to <a>EarlyYearsSystemDivision@peelregion.ca.

NOTE: Your "Staffing Information Request" submitted to us in August 2024 was used to develop your funding allocation. Addition funds were provided for benefits and to also provision for staffing changes.

- Your top-up funding allocation is listed under the 'Other' budget category in your GOF award in GovGrants.
- Your funding amount in GovGrants will be provided in equal payments for November and December.

Reporting and Reconciliation

- During reconciliation, providers will be asked to report the total amount spent for GOF SWB Top-Up and four Key Performance Indicators (KPIs). **Deadline is January 31, 2025**.
- In addition to supporting providers with calculating the correct amount of funding for their staff, the GOF Top-Up Calculation Tool collects all data needed for reporting, including the following KPIs:
 - o Number of RECE Program Staff.
 - o Number of Non-RECE Program Staff
 - o Number of RECE Supervisors
 - o Number of Non-RECE Supervisors

Reporting and Reconciliation

- Peel has simplified the reporting and reconciliation of GOF SWB top-up into three steps:
 - 1. Complete the GOF Top-Up Calculation Tool to determine the appropriate amount of funding to pay your staff;
 - 2. Upload a copy of the completed GOF Top-Up Calculation Tool in GovGrants; and
 - **3. Enter all top-up expenses** in your regular **GovGrants** reconciliation in the "Other" column.

Reconciliation Reminders:

• Program hours are recorded as salary and wages in GOF. Incremental benefits are recorded separately as benefits in GOF.
