

# Peel Region Strategic Plan

Vision: **Community for Life**

Mission: **Working with you to create a healthy, safe and connected community**

## 20-Year Strategic Outcomes

### People's lives are improved in their time of need

#### By 2035, you will have...

- access to services that meet your needs at all stages of life
- affordable housing options
- access to employment opportunities of your choice
- access to culturally appropriate services
- access to local, nutritious food sources
- a responsibility to contribute to community well-being

### Communities are integrated, safe, and complete

#### By 2035, you will live in a community...

- that is environmentally friendly
- that promotes mobility, walkability, and various modes of transportation
- that embraces diversity and inclusion
- that promotes economic sustainability and future investments in Peel
- where growth is well-managed
- where the built environment promotes healthy living

### Government is future-oriented and accountable

#### By 2035, you will trust that...

- sustainability and long-term benefits to future generations are considered
- Peel Region is a model and progressive employer
- co-ordination and partnerships occur
- a systematic approach to innovation is in place
- community voice and participation are welcome
- Peel Region is a well-managed government

## Peel's Strategic Agenda 2024 to 2027

### Housing and Social Impact

We will amplify collective impact, strengthen partnerships and integration to address vital, pressing community needs, including providing affordable housing options and supports to residents in need.

### Sustainability

We will ensure Peel delivers value for money and is environmentally and financially sustainable today and for the future.

### Service Excellence

We will deliver high-quality services, enhance value and elevate organizational effectiveness.

### Our People

We will foster an environment where employees are supported in their wellness, growth and creativity.

### Future Ready

We will enable future preparedness in managing disruption, volatility, uncertainty, growth, complexity, and ambiguity with resilience and foresight.
