The Debentures will be issued in the form of fully registered global debenture certificates (the “Global Debentures”), registered in the name of CDS & CO., as nominee of CDS Clearing and Depository Services Inc. (“CDS”) and held by CDS. Beneficial interests in the Global Debentures will be represented through book entry accounts of financial institutions acting on behalf of beneficial owners as direct and indirect participants in the CDS book entry system. Physical certificates representing the Debentures may not be obtained by beneficial owners, except in limited circumstances and only in denominations of \$1,000 and any multiples thereof.

Principal in respect of the Debentures will be payable at maturity (December 2, 2055). The first interest payment will be made on December 2, 2025 (interest accrued from October 14, 2025), thereafter semi-annual interest will be payable on June 2 and December 2, commencing on June 2, 2026. In accordance with the applicable legislation, the by-law under which the Debentures are to be issued will provide for the annual deposit into a sinking fund established in respect of the Debentures of an estimated amount which, with interest compounded annually, will be sufficient to pay the principal of the Debentures at maturity.
