

### Units in the program

**Total number of units in the program**  
**5257**

**Number of units building permits issued**  
**297**

### Total value of potential grant funding

**\$139.9 million**

### Total number of applications\*

**48**

\* Only applications that have received grant funding or have completed agreements

### Total units in the program by location

**Caledon**  
**1192**

**Brampton**  
**2656**

**Mississauga**  
**1409**

### Potential grant funding by application type

**Retroactive Applicants**  
**\$41.1 million**

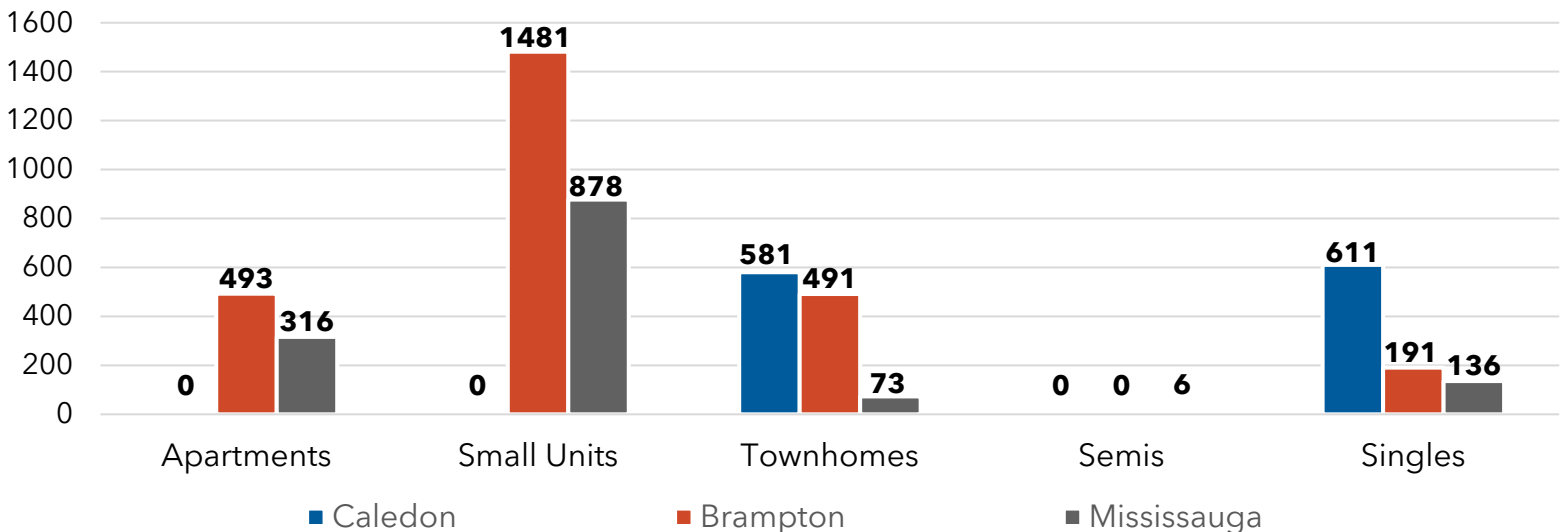

**New Applicants**  
**\$98.8 million**

### Total grant funding deferred and paid

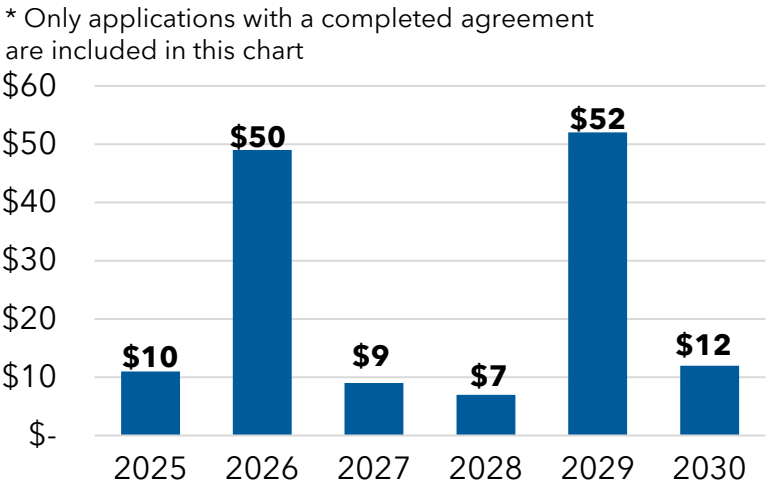

**Deferred DC Payments**  
**\$133.9 million**

**DC Grant Funding Paid**  
**\$6.0 million**

### Units in the program by type and location

### Deferred DC payments by year (in millions)\*

\* Only applications with a completed agreement are included in this chart

**Executed DC Payment Agreements - Sorted by Developer**

Amounts are rounded to the nearest thousand.
