

TransHelp service eligibility application form

Introduction

Peel Region offers several types of public transportation.

These include regular bus services like MiWay in Mississauga, Brampton Transit in Brampton, and TransHelp, Peel Region's specialized transportation service.

TransHelp is a safe and reliable transportation service that enables people with disabilities to travel comfortably, independently, and with dignity.

You might be eligible for TransHelp if your disability makes it challenging for you to use regular bus transportation for some or all of your trip. This can include, but is not limited to, long-term or short-term disabilities such as physical, sensory, cognitive, or mental health disabilities recognized in the *Ontario Human Rights Code*.

Transit terms

- **Conventional transportation services** (conventional transit) means regular public transit that runs on set routes. This includes buses (including community buses), streetcars, subways, and light rail or rapid transit routes). All conventional transit in Peel are accessible.
- **Specialized transportation services** (specialized transit) is a pre-booked service that provides door-to-door pickup and drop-off, or trips to and from conventional transit for people who are registered.
- **Family of services** means using both conventional transit and specialized transit to support people with disabilities.

Eligibility categories

TransHelp offers 3 categories of eligibility in keeping with the *Integrated Accessibility Standards Regulation (IASR O. Reg. 191/11)* and the *Accessibility for Ontarians with Disabilities Act (AODA) 2005*.

- **Unconditional** – For people whose permanent disability prevents them from using conventional transit.
- **Conditional** – For people with a disability who can sometimes use conventional transit, but face challenges depending on the situation, such as bad weather or travelling to a location that isn't accessible. A person who is approved for conditional service may use regular transit for part of their trip, and TransHelp when needed.
- **Temporary** – For people with a short-term disability that makes it difficult or impossible to use conventional transit. This type of service is approved for a specific time period only.

How to apply for TransHelp service

To apply for TransHelp, you can fill out this paper form or apply online at www.peelregion.ca/transhelp. Other accessible formats are also available upon request.

If you think you qualify and want to use TransHelp, complete and sign the application. To avoid delays, be sure to fill out every section of the form.

If any information is missing, the form might be sent back to you to complete.

In-person functional assessments

TransHelp is committed to making the eligibility process fair for everyone.

To help us understand your needs and match you with the right service, you may be asked to come in for a functional assessment. This assessment helps us learn more about how you travel and what support you may need. Your eligibility decision will be based on the information in your application and the results of the assessment, if one is required.

Applicant's responsibilities

As the applicant, you are responsible for:

- Filling out **Sections A and B** of the application.
- Asking your health care professional (or professionals) to complete **Section C**.
- Making a photocopy of the entire application for your records.
- Paying any costs related to completing this application or for getting additional information.

TransHelp's responsibilities

TransHelp is responsible for:

- Making sure each application received is filled out completely. A TransHelp employee may contact you if information is missing.
- Matching services to your abilities and the transit options available.
- Reviewing each application fairly and letting you know the decision in writing.
- Contacting you if your application requires an in-person assessment.
- Offering an independent appeal process if you disagree with the eligibility decision.

Dropping off your application

Once you have completed and signed your paper application, deliver it to TransHelp using one of the following options:

- Mail: c/o TransHelp Applications, 3190 Mavis Road, Mississauga, ON, L5C 1T9
- Fax: 905-277-5864
- Drop off at the TransHelp Office at 3190 Mavis Road, Mississauga (drop box only)
- Drop off at Service Peel at 10 Peel Centre Drive, Suite B, in Brampton; 9 Wellington St. in Brampton, or 7120 Hurontario Street in Mississauga

Appeal process

TransHelp is obligated to review every application carefully to decide the right level of service based on each applicant's abilities. We strive to be fair and objective in deciding the best level of service for you.

If you don't agree with the eligibility decision, you can ask for an independent appeal to have the decision reviewed.

For more information about the appeal process and required forms, visit www.peelregion.ca/transhelp or call TransHelp Customer Service at 905-791-1015.

Mobility aid requirements

To ensure safe and reliable service, all mobility aids must meet TransHelp’s size and weight requirements.

Devices cannot be larger than **86 x 132 cm (34 x 52 inches)**. The total weight of the device and applicant together must be under 800 lbs. Mobility aids must be clean, well-maintained, and able to be properly secured.

New applicants are required to have their device inspected by a TransHelp Inspector. This inspection makes sure the device fits properly, can be secured safely, and is comfortable to use.

If a device is larger than allowed, it may need an extra inspection. In some cases, other options might need to be considered. Our goal is to support your mobility needs while providing safe, inclusive, and reliable service.

9. Which of the following devices do you currently use? (Check all that apply)

Consent for email communication

TransHelp employees may need to share your personal information by email with consultants or advisors. This is to help decide if you qualify for TransHelp.

TransHelp employees may contact you via email to discuss your application. If you do not want to use email, you can ask to be contacted by phone instead. In some cases, TransHelp employees may choose not to send certain information by email. If this happens, they will contact you by phone or mail.

Upon your request, TransHelp employees may also share your application information by email with specialized transit services in neighbouring municipalities. This can help support your travel outside the Peel region. Your information will only be shared with other municipalities if you request it.

I acknowledge that sending personal information via email is not guaranteed to be secure. I fully accept the risks and responsibilities of this, and I waive all responsibility against the employees at TransHelp (Peel Region) involved with the disclosure of my personal information by email.

Section C: Health care professional information

This section must be filled out by a regulated or licensed MSW, BSW, RSW or RSSW or a licensed health care professional who is appropriate for the applicant's disability.

This could be a: physician, nurse practitioner, psychiatrist, physiotherapist, optometrist, audiologist, psychologist, chiropractor, occupational therapist, or speech language pathologist.

The applicant is applying for TransHelp, a shared ride public transit service for people with disabilities who cannot use conventional public transit for all or part of their trip.

The information you provide will help TransHelp decide if the applicant qualifies for this service.

The applicant or their representative has completed **Section A**. Please read **Section A** in its entirety before completing and signing **Section C**.

If you need clarification, call TransHelp at 905-791-1015 ext. 6029.

The applicant has given TransHelp permission to contact you if more is needed to process this application. This may include personal health information, supporting documents, or clarification.

Applicant's name: _____

How long have you been providing care or support to the applicant? _____

- Does the applicant have any of the following disabilities? Check all that apply whether the disability is permanent, temporary, or both. If the disability is temporary, tell us how many months it is expected to last.

Disability	Permanent	Temporary (duration)	Episodic/ sporadic	Frequency
Physical Specify: _____		Months: _____
