

Fire hydrant water permit extension application

October 1 to December 1, 2026

If you need to use water from a fire hydrant after October 1, 2026, complete and submit this form to apply for a permit extension.

Extensions are only available for critical and essential services.

Email your completed application to zzghydrantpermitsec@peelregion.ca.

If your application is approved, you will receive confirmation by email.

Eligibility

Your permit must support a critical or essential service.

Extension period and permit renewal

Approved extensions expire on **December 1, 2026**.

If you need a permit for **2027**, you must apply by **December 31, 2026**.

Insulated box requirements

Peel Region employees will inspect any required insulated boxes.

Failure to meet insulated box requirements may result in permit cancellation.

Fees

Fees will be calculated and invoiced after the permit term ends.

Permit conditions

All existing permit conditions continue to apply.

Peel Region may suspend or cancel a permit at any time.

Applicant information

Equipment type (select one): ☐ Private equipment ☐ Peel Region equipment
