

Imagine a Day Without Water Poster Contest

CONSENT FORM

The Regional Municipality of Peel (the "Region of Peel") works hard to treat and deliver clean and safe drinking water to your tap everyday and treat the water that goes down the drain. What would your day be like if you couldn't turn on the tap for clean safe drinking water? Or if the shower, laundry or toilet water had no where to go? Imagine a Day Without Water is an annual event to raise awareness and educate everyone about the importance of water.

The Imagine a Day Without Water Poster Contest (the "Contest") provides students in grades K-12 with an opportunity to create posters to raise awareness of the value of tap water, and/or water and wastewater treatment.

Participating students will have an opportunity have their art seen by a wide audience, and win a poster-sized copy of their poster.
